COMMITTEE ON MISSIONS

The Cabarrus Baptist Association has had a busy and exciting year in the ministry and mission of the Association. The Committee on Missions has sought in each of the monthly meetings throughout the year to care for the pressing needs of the Association.

In the area of evangelism, the Missions Committee worked with the appropriate committees in the ministry to the inmates at the Mt. Pleasant Prison Unit. The James Robison Crusade and Followup was a great success. The Christian Growth Seminar was well attended and it too has given tremendous spiritual strength to our Associational work. Miss Martha Steagall, the Youth Corps Worker for the summer, did a superb job in our Association. She assisted in several Bible Schools in the churches of the Association as well as conducting a number of back-year Bible Schools in housing developments and trailer parks. Under her direction, a survey was taken of the Enochville area of our Association to establish the possibility of a mission work there. It was discovered that approximately twenty-five families would be interested in starting a church in the Enochville area. At the present time, this need and opportunity is under further study.

The Committee on Missions received a letter from Broadus Memorial Baptist Church stating that the Covenant Baptist Mission was ready and willing to seek full fellowship in the Cabarrus Baptist Association as Covenant Baptist Church and the recommendation was accepted from Broadus Memorial Baptist Church that this matter be handled according to the constitution and by-laws of our Association. Eva Drive Bible Missionary Baptist Church was brought into the Association under watch-care and this church is, at the present time, making good progress.

The house that has been provided for the Director of Missions has been prepared for the Associational Office as approved by the Executive Committee and our Director of Missions, Rev. George Shore, was given a housing allowance with fringe benefits to purchase his own house. All the necessary changes have been made and the office building is adequately equipped to serve the Association. There have been several new pieces of equipment and furnishings purchased for our Associational Office.

There have been so many who have had a part in projecting the program in our Association that it would be difficult to recognize every person by name. Permit this word of thanks from the Committee on Missions to speak to every person who assisted and caused the Lord's work here in Cabarrus Baptist Association to go forward in the dynamic, positive way that it has. Our Director of Missions has worked faithfully and untiringly with the Committee on Missions in order that we, of this Association, could experience all the progress that has been made.

To God be the glory for all that he has done in and through our Committee on Missions and the Association.

WOMAN'S MISSIONARY UNION

On September 16, the WMU of our Association began the year with the Fall Workshop at Jackson Park Baptist Church. The meeting was well attended and led by our Associational Age-level Directors.

The highlight of the year was the Annual meeting held at Immanuel Baptist Church. The Baptist Young Women's Choir furnished the special music entitled "Let Freedom Ring". We were all inspired by the message from Mrs. Troy Bennett missionary to Bangladesh.

First Baptist Church, Kannapolis, had a Distinguished WMU for the 7th consecutive year. North Kannapolis WMU was Advanced and Oak Ridge was Merit.

AGE LEVEL REPORTS:

Mission Friends Director, Mrs. Ned Robinette, conducted the Leadership workshop at Jackson Park Baptist Church. She assisted two churches in organizing new Mission Friends.

Mrs. N. F. Freeze, GA Director, reports the GA Talent Show at Shadybrook Baptist Church in February, was well attended. Many GA girls proudly brought their Fathers or the man who meant most to them, to the "Man of the Hour" program held at Immanuel Baptist Church. Mrs. Freeze helped organize new GA organizations in several churches.

Mrs. Colon Shur, Acteen Director, Reported the Acteens had a workshop October 13, to plan a Charity Bazaar at Carolina Mall where they won a \$25.00 prize and raised \$133.00 used for the Empty Stocking Fund and Pioneer Mission Work in North Dakota. In February the Acteens entertained International Students at a party held at First Baptist Church Kannapolis. In June the Acteens participated in a Bicentennial Day at Sharon Baptist Church. Mrs. Shue helped organize four new Acteen groups.

Mrs. Norman Snodderly reports that the BYW Choir is actively engaged in singing not only in Cabarrus Association, but in other parts of the state. A Mission Study Retreat was held in February at Kerr Street Baptist Church with 11 churches represented and 52 BYW's present. Three new BYW's were organized by Mrs. Snodderly.

Mrs. Glenn Hartsell, Baptist Women's Director reports that the Senior Citizens Talent Show and the Annual Rocking Chair Party were both an inspiration to our elderly people. She assisted several churches in the World Day of Prayer.

We are thankful for the interest shown in many churches by organizing new missions groups.

Mrs. Ralph Brunson

BROTHERHOOD

Our Associational Brotherhood Program began almost immediately following our Annual Associational Meeting by having our Annual Associational Leadership Training Workshop on Thursday evening October 30, 1975. We had leaders from all over North Carolina to teach in our Training Sessions which covered everything from a Baptist Men's Program to all RA age groups.

Our next meeting came on Sunday morning January 11, 1976, at the North Kannapolis Baptist Church when we had our Associational Baptist Men's Breakfast. We fed almost 300 men in two shifts and had well over 300 men to come into the Sanctuary where we heard a very inspirational program consisting of:

1. A group of college students from Columbia Bible College who sang.
2. A short talk by Keith Troutman, who carried the cooperative program torch the last mile into the SBC meeting in Miami.
3. Rev. Coy Privette gave an inspirational message.

This fall our Associational Brotherhood Leadership Training Workshop was held earlier so that our men would be equipped from the beginning of the new church year. On September 13, 1976, almost 85 men came for training and were thoroughly equipped to lead their individual church Brotherhood organizations into one of their finest years.

I believe this has been one of the best years I have seen in our Association for activity among our Brotherhoods within our churches. I have spoken in a large number of these churches and the men have indicated real interest in making their Brotherhood programs become alive and a genuine mission arm of their churches.

We are very pleased this year with the progress of the RA programs in the churches in our association. Our Associational RA Director, Rev. Marion Rector reports helping organize 4 new RA programs in our churches and trained counselors in six churches this past year.

We held an Associational RA Pine Car Derby this past November with two churches participating. One of the most exciting parts about this event is that one of our boys went on to win the State Championship in the older Crusader Division.

Our Associational RA Tract Meet was held on May 8th, and had seven churches participating. This event has grown to be the outstanding annual event in our Associational RA Program. This past year Kerr Street Baptist Church won the competition.

Wm. Norman Snodderly

CHURCH TRAINING

The Church Training Program started off the new year 1975-1976 with a Church Training Workshop. This workshop had a good number attending.

"M" Night was held at the First Baptist Church of Concord. It had a Bicentennial theme and a message by Dr. Robert Baily entitled, "We Hold These Truths", was well received by the 347 persons in attendance.

The January Youth Fellowship was held at Blackwelder Park Baptist Church. The response was tremendous and was attended by an overflow crowd.

The Nicky Cruz Weekend Crusade was a success with between three and four thousand in attendance for the three day meeting. There were over two hundred decisions made in this weekend Youth Crusade.

Shadybrook Baptist Church was the scene for the Associational Youth Summer Outing during the month of August.

We can give thanks to the Lord for a good year in Church Training this past year.

I want to thank all of those who helped in the planning and working with us during this past year in the Church Training Program.

Respectfully submitted,
Henry M. Houghton

CHURCH MUSIC

The state of music in our churches continues to improve and to inspire our people as new Ministers of Music, both full and part-time, are added to the staffs of our churches. Some limited assistance has been given in this search for staff and in other related music areas.

The association co-sponsored with First Baptist Church, Kannapolis, the formation of a mass choir of select voices to present the patriotic work "I Love America" by Don Wyrzten and John Peterson for the concluding session of the 1975 meeting. (This choir later became the nucleus for several presentations during the year to wider audiences.)

In January, 1976, the association sponsored an Adult Choir Workshop under the leadership of Dr. Philip Landgrave of the faculty of Southern Baptist Theological Seminary, Louisville, Kentucky. Some two-hundred adult choir singers from twenty churches in the association attended the two evening session which dealt with new music, use of the hymnal in aiding worship, and fundamentals of singing. The luncheon for local Ministers of Music was also well attended and was a lively discussion session.

In August as a part of the James Robison Evangelistic Crusade, the churches of the association formed a mass choir under the leadership of Rev. Richard Bailey, Associate Pastor of the North Kannapolis Church. Several hundred youth and adults participated in this effort which was a vital part of the crusade.

Paul challenges us to sing with "grace and understanding", making melody in our hearts to the Lord. May we of the Cabarrus Baptist Association constantly strive to do so.

Tom Smith

SUNDAY SCHOOL

The Cabarrus Baptist Associational Sunday School Organization held a Sunday School Bible Conference at the First Baptist Church in Kannapolis for all age groups on September 22-24, 1975. We also conducted an officers and teachers workshop in October 1975 which was well attended.

On the last Sunday in October of 1975, High Attendance day was observed throughout the Cabarrus Associational with attendance goal set at 7,500 which to the Glory of God was exceeded. All of the churches were encouraged and helped in whatever way possible to conduct January Bible Study and we feel that many of our people were reached for Special Study of God's word.

The Associational Vacation Bible School Director attended the vacation bible school clinic at Wingate College in March, then on April 6th he in turn held an associational clinic at the First Baptist Church of Concord where all church vacation bible school directors and workers received training. The Associational Sunday School, August 2nd, sponsored a Pastor-Director workshop at the Royal Oaks Baptist Church and many churches were represented. The purpose of this meeting was to provide a learning experience in which the Pastor and Director could understand the planning process and develop a spirit of teamwork in leading the Sunday School.

In the coming New Year when the emphasis will be on the youth, we have a unique opportunity to stimulate the growth of our Sunday School. This can be done as we discover, cultivate, enlist, teach and witness to all of our people for the study of God's Word.

CHRISTIAN ACTION LEAGUE

This past year the North Carolina Christian Action League has been involved with the problem of hard core pornography, massage parlors and beer and wine sales. An anti-obscenity and pornography ordinance has been drafted by our attorney, Mr. Allen Bailey, in cooperation with lawyers from Citizens For Decency Through Law. This ordinance covers hard core pornography as it has been defined by the Supreme Court. The Supreme Court has also ruled that such matters are not covered by the First Amendment guarantees. The ordinance has been adopted in several North Carolina Cities and Counties and is under serious consideration in other places in the State. Since this ordinance covers only a City, Town, or County where it is adopted, we are seeking the passage of a state-wide ordinance that would regulate the material that comes under the purview of the Supreme Court ruling. We recommend that you contact the candidates for the General Assembly in your District and ask for their support for a stronger obscenity regulating statute. It is essential that all candidates make their position clear on issues affecting public morality. Christian men and women are running for office. We must let them know that the people of North Carolina want something better. Our legislators can give us a better law. They must do it. They will respond to our efforts. Let's let them know.

We regret to report that in spite of strong opposition by state and local Christian Action League leaders, Miller Brewing Company has purchased 1,600 acres and is in the process of building a \$130,000,000.00 brewery in Eden, N. C. The company has promised to put the name "Eden" on every can and bottle produced at the plant. Just think of "beer from Eden". In line with this increased production, efforts are being made to open up more outlets for retail sales in the state which will increase the number of permits from the present 29,899. Is this an example of the need for more united action against the evils of alcohol?

We are grateful for the victories that have been won. Some failures are acknowledged because people have been deceived by the so-called fantastic profits from the sale of beverage alcohol and have voted for legalizing it.

The Christian Action League is your voice on the state-wide level. We speak for you as we seek to deliver God's message of condemnation on the beverage alcohol industry. We are grateful for your support and we need your continuing support. The work of the League can be put on a firm foundation by budget support from the churches across the state. You are urged to support the League in this way and with your prayers for God's guidance in the work

we seek to do. It is God's work that we are doing. We work for Him as we speak for you. Again we thank you for your cooperation and support and prayers.

CHURCH MEDIA CENTER ORGANIZATION

In March of this year I was privileged to attend the Library Conference at Wingate College. It was at this conference that I found out the importance of a church library. A Church library can be of help to everyone in the church that wants to learn more about the church, especially our pastors and our Sunday school teachers.

The name of church library has been changed to a new name, "Church Media Center." Church library materials will continue with the double name, "Church Media Center/Library."

Also there are a lot of materials available to and for church media center/libraries. If I can be of any help to anyone or if you want and need any of these materials, please let me know. Also if I can be of help to anyone in your church library, feel free to call on me.

Continue to pray for me that I will do what the Lord wills in my life, and that I will be the kind of Association Church Media Center Director that He wants me to be in our Association.

PETITIONARY LETTERS COMMITTEE

Eva Drive, a mission under the watch care of the Cabarrus Baptist Association for the past year is now eligible to be constituted as a church for full association in the Cabarrus Baptist Association. By example in cooperation and in faith and practice, we the members of the Petitionary Letters Committee wish to recommend that this mission be accepted as a fully constituted church in the fellowship of the Cabarrus Baptist Association.

The Covenant Mission of the Broadus Memorial Baptist Church of Concord has been under the watch care of the Cabarrus Baptist Association and has requested association with the Cabarrus Baptist Association as a church. The Covenant Mission voted in conference April 4, 1976 to organize into a church. We, the members of the Petitionary Letters Committee recommend that this mission be accepted into our Association as a fully constituted church based on their request and on their example of cooperation and in their faith and practice.

ORDINATION ADVISORY COMMITTEE

The Ordination Advisory Council was called upon by the following churches during the year for the purpose of examining candidates for the gospel ministry.

On November 14, 1975, upon the request of the Central Baptist Church, the council examined Jerry Freeze as a candidate for the ministry upon his call to become pastor of the Rockwell Baptist Church.

On February 14, 1976, upon the request of the White Hill Baptist Church, the council examined Dennis Stamey as a candidate for the ministry.

On March 26, 1976, upon the request of the Central Baptist Church, the council examined Joe Smith as a candidate for the ministry upon his call to become the associate pastor of the Central Baptist Church.

On April 22, 1976, upon the request of the Eva Drive Bible Missionary Baptist Church, the council examined Walter Waller as a candidate for the ministry upon his call to become pastor of Charity Baptist Church.

On May 10, 1976, upon the request of the Phaniels Baptist Church, the council examined Gary Sloop as a candidate for the ministry upon his call to become pastor of the Mount Carmel Baptist Church.

On June 8, 1976, upon the request of the Phaniels Baptist Church, the council examined Calvin Faggart as a candidate for the ministry upon his call to become associate pastor of the Sharon Baptist Church.

On August 30, 1976, upon the request of the McGill Avenue Baptist Church, the council examined David Brown as a candidate for the ministry upon his call to become pastor of the Green Acres Mission of the First Baptist Church of Kannapolis.

All of the Candidates were examined concerning their Christian experience, their call to the ministry, and the Biblical doctrines concerning what they believe about the Bible, God, Man's Salvation, God's Purpose of Grace, the Church, Baptism, the Lord's Supper, the Lord's Day, the Kingdom, Last Things, Evangelism and Missions, Stewardship Cooperation and Religious Liberty.

We are grateful for the privilege of representing you, the Cabarrus Baptist Association, in preparing these seven men for the fulfilling of God's will for their lives. We recommended that all seven men be ordained and all have been ordained.

CHRISTIAN LITERATURE

The Old Testament prophet Hosea declared, "My people are destroyed for lack of knowledge." Because of a great information void concerning truth, Jeremiah also cried out, "Publish and conceal not."

Just as in Old Testament days, communication still remains one of the most sensitive problems in our churches. Think for a moment—how many problems has your church had that could be traced to a lack of communication? Too many church members are misled because they are uninformed, poorly informed, or misinformed. Churches must take initiative to provide accurate information if work in the local church, association, and convention continue to show progress.

Each year more churches understand the importance of providing the RECORDER for each family. When this is done, members become more responsive because they are better informed. Baptists have made encouraging progress in recent years through bold mission enterprises and can be traced to better-informed church members. Stewardship gains also go hand in hand with better communications. As an example, 79 of the 80 churches which led their associations in per capita mission gifts last year have a RECORDER club.

Each church needs to look at its budget carefully and then make provision to send the RECORDER to each family. Although nearly 1,100 churches in the state have the RECORDER in the budget, at least 500 more churches should take this step. Such action could be the difference between mediocrity and greatness in your church.

W. A. Criswell, pastor of the First Baptist Church in Dallas, Texas, urges all Baptists to "stay with the state paper. Increase its circulation. Send it to the homes of all people. The reward will be great."

Louie D. Newton of Georgia who has done more than any other person to interpret the value of Baptist state papers, said: "The investment any church can make in furthering the Kingdom of God is to put the Baptist state paper in the homes of the membership. These papers are the packhorses of every phase of denominational life."

If this "packhorse", meaning the RECORDER, is not going to every family in your church, may this be the year that you take this step.

Lou Brogden

COMMITTEE ON SEMINARY EXTENSION

Few religious denominations offer the kind of training that is available to Southern Baptists through Seminary Extension. With three distinct curriculum levels being offered, Seminary Extension comes close to having courses of study designed for everyone.

With a brand new place for the classes to meet, the Cabarrus Baptist Building, new interest has been shown in the Center this year. Three class rooms are provided in the building, thus allowing three courses to be offered simultaneously. Three Pastors from the local churches have served effectively as teachers this year.

With two terms being offered each year, one can be assured of at least two courses being available to him. Pastors and other church leaders are encouraged to motivate church members to become part of this educational opportunity offered by Cabarrus Baptist Association.

Respectfully submitted,
Marion Rector, Chairman

ANNUITY BOARD

Southern Baptist churches depend on the Annuity Board to provide retirement and insurance protection to pastors and others in church-related vocations.

The Board holds in trust retirement contributions from nearly 40,000 persons. Their contributions will be converted into annuity benefits when they retire.

Darold H. Morgan, president of the Board, described 1975 as "an excellent year of recovery, growth, and optimism" for the agency. Income from the investment of funds held in trust attained a one-year record of \$23,149,064.

Benefits paid to retirees, widows, and the disabled in 1976 amounted to \$15,734,003. During the Annuity Board's 58 years of existence, it has paid more than \$141 million in retirement and protection benefits.

For the past two years an extra check was issued to annuitants in December above and beyond the twelve regular monthly benefit checks. This extra benefit helped to combat the rapidly rising cost of living.

In North Carolina 2,140 churches are participating in the Southern Baptist Retirement Program. Only 56% of the churches in the Cabarrus Baptist Association participate in the Annuity Program.

This should be a matter of prayer in your church to show concern for the future of your pastor, who God has provided to lead in your church.

Ralford Troutman

MEMORIALS

Whereas, Our Heavenly Father in His wise providence has removed from among us and called these beloved brethern to their Heavenly Home:

Therefore be it resolved:

That we recognize and deplore the loss to our churches and association. We can only partially visualize their joys, their victories, their sorrows, their sacrifices; but the Lord, the righteous Judge, knows them all. He has kept full accounts and he rewards according to their faithfulness.

That we graciously acknowledge and submit to our Heavenly Father's will. That we express to their families our deepest sympathy and share in their bereavement.

That we recognize the enduring quality of their service in the Master's Kingdom and we pray that others may be constrained to take up the work where they left off.

That a copy of these resolutions be spread upon the minutes of the Cabarrus Baptist Association.

So, we reverently pause for this quiet moment to honor their memories, to remember their labors of love and to pray our Heavenly Father's richest blessing upon their loved ones.

"Servants of God, well done!
Rest from the loved employ;
The battle fought, the victory won,
Enter thy Master's joy." (Montgomery)

STEWARDSHIP

Our response to God's call to go into all the world and preach and minister is answered in the fact that we also are good stewards of the manifold grace of God. We are entrusted with the greatest task of all the ages. Our world is in turmoil and in desperate need of the Gospel message.

The faithful stewardship of the individual Christians and the missionary Vision of our Churches express themselves through the support of the World Mission Program. For the Christian, commitment to the task set forth by our Lord involves a total way of life, the Christian life style. Surely we must come to the point in surrender that we are aware that God owns us and all we have, and He is the Lord of our life.

The Church must enlarge her Vision, the Word says "Where there is no Vision, the people perish" so we must, I repeat we must catch a vision of a lost world waiting the response of Southern Baptist to the Word. Lets us consider the Theme, "Bold Believers in Giving" to the point we accept the challenge for every Church to 15% as suggested by our state convention. Therefore we can say with Paul, "I am free from the blood of all men." Not until we have really Committed ourselves can we say it.

Last year our gifts through September 30th were \$139,198.86. This year to the same date shows an increase—\$189,127,28.

Respectfully submitted,
Floyd R. Willis

PUBLIC AFFAIRS

On Thursday, September 23, at the National Presbyterian Center in Washington, D. C. Andrew Leigh Gunn, a Methodist Minister, was formerly installed as Executive Director of Americans United for Separation of Church and State.

He succeeded Dr. Glenn L. Archer who held that position ever since its founding in 1947. Americans United has achieved prominence through litigation and educational campaigns in defense of religious liberty and church-state separation. The group has been a principal sponsor of successful suits before the Supreme Court in recent years defending the right of citizens to support religious institutions voluntarily.

Baptists must be on their guard in accepting federal aid to education for our colleges and institutions. We should learn a lesson from the Baptist College of Charleston (S. C.) who received such funds. Now HEW has prohibited the use of a building built with the money for any religious exercises. What the government funds it controls.

Coy C. Privette

CHRISTIAN LIFE

The Christian Life Council exists in an effort to help those of us who know Christ personally to also know and do His commandments.

In The Bicentennial Year, the Council has mailed to every North Carolina Baptist pastor, a packet which contained helpful suggestions on how a church might "Let Christ's Freedom Ring". In addition, a number of conferences have been held, a great many sermons preached,

and tracts have been distributed accenting Christian citizenship.

Six specific tracts dealing with our Christian citizenship have been written and printed and are now available for church use.

The Christian home has been a major concern of the council. Over 150,000 pieces of literature on this subject have been distributed. In addition, over 100 sermons on the home were preached, and a number of conferences were conducted.

The Single Adult has long been neglected in our churches. This year the Council scheduled a conference October 29-31 in Charlotte, to help all churches minister to this growing group.

The Christian Life Council is a valuable source of information for any Christian who seeks to know how to apply his Christianity in all areas of his life. W. Douglas Cole now heads the newly formed Department of Christian Family Life which seeks to aid us in this endeavor.

There are many challenges facing us as Christians, but perhaps no greater challenge than the one to "Let your light shine before men that it might glorify your Father in Heaven." It is to that concept that the Christian Life Council is dedicated.

BAPTIST CHILDREN'S HOMES

As our nation enters its third century, we are reminded that its future is in its children. We have no greater national need than strength of character and wholeness of persons in our citizens. Yet, too many children, through family tragedy or breakdown or weakness, are deprived of the growing experiences so essential to wholeness of life.

The purpose of the Baptist Children's Homes of North Carolina is to help make up this loss through a Christian ministry of quality child care. Emergency Care is offered the child who needs immediate short-term care to provide time for a more permanent plan. Group Care is offered the child who needs the multiple relationships which a group of his peers add a staff of Christian professionals can provide.

Foster Care is offered the preschooler and the older child who needs the closer relationships of a family setting. Maternity Care is offered the unwed mother and her child. Preschool care and education are offered a select group of younger children. Consultation in child development and family life education is offered to churches concerned for families and children in their communities. Varied planning and counselling services are offered to families in stress.

In each of these services, the focus is on the whole family; the motivation is Christian love; the aim is wholeness and health for the persons served.

To make these varied services available to families and children, a statewide network of facilities and programs has emerged. Indian Beach, Kinston, Pembroke, Fayetteville, Raleigh, Burlington, Walburg, Thomasville, Charlotte, Forest City, Asheville, Waynesville—each site is a base of operations from which families in need can secure assistance. Furthermore, the staff is prepared to call on the additional resources of religious, educational, medical, psychological, recreational, and social service personnel in the communities to help persons grow their full potential.

No greater investment can be made in the future of God's Kingdom or in the future of America than to invest in children. Your support of missions through the Cooperative Program is the lifeline of the Baptist Children's Homes. Your special gift at Thanksgiving further guarantees the continuance of Christian child care. We are fortunate to have a dedicated staff of men and women in North Carolina willing to give of themselves freely and unselfishly to the molding of the lives of children in the various mission points across our state.

Raiford Troutman

BAPTIST HOMES FOR THE AGING

Your North Carolina Baptist Homes have, in the past year, completed 25 years of growth and development. These have been good years, filled with the abundant blessings and goodness of the Lord. He has brought us from one Home, in March of 1951, to five Homes and an excellent Nursing Facility, from one resident to 230 residents and patients. Hundreds have been ministered to during these years, many lives have been blessed, and families have been helped immeasurably.

The past year has been of special excitement and enthusiasm as we entered into the Fund-Raising Effort to raise \$1,000,000 for the construction of the Western North Carolina Baptist Home in Asheville. In September, 1975, Brother Ralph Cannon, beloved pastor, and trustee of the Homes, was called by the Trustees to serve as Director of Development and Denominational Relations and has been leading the fund raising program for the Western North Carolina Baptist Home in a remarkable way. He reports that the response from our Baptist pastors and people in Western North Carolina has been most encouraging, and that there is every indication that we will reach the goal. We are grateful not only to those in Western North Carolina, but throughout the State, for the happy and successful response that we have experienced thus far as we move toward making this additional Home available for our older people in one of the most beautiful spots in the world.

When completed, the Western North Carolina Home, in Asheville, will accomodate 50 people, and will bring the total capacity of our Baptist Homes and the Nursing Care Unit to 280. We now operate five other Homes, and a Nursing Care Unit—Resthaven, the Hayes Homes, the Nursing Care Unit, in Winston-Salem; the Albemarle Home, in Albemarle; the Hamilton Home, in Hamilton, N. C.; and the Yanceyville Home in Yanceyville.

In these Homes the best of care is given, the compassion and love of Christ shared and underscored. The love gifts of North Carolina Baptists make this Christian care and concern possible through two very vital sources—The Cooperative Program, and the Special Offering for the Homes, received on the third Sunday of February each year. Through these sources more than 35% of the Homes' total income is provided, and the majority of the residents who cannot pay the full cost of care are supplemented. We are grateful for these life-sustaining gifts and thank every North Carolina Baptist who makes them possible!

Gifts this year, through these sources, are greater than ever before, and if we to meet the overwhelming needs of older people in our midst, we must double and triple our efforts, both in numbers ministered to, and in support of them.

Close at hand is another venture in the devlopment of the Homes which we're excited about—the building of apartments on the site of the Hayes Home Property in Winston-Salem. The first of these units is to be completed by the fall of 1977. Those interested in this phase of the ministry of Baptist Homes may contact Bill Poole, the Executive Director, of the Homes for information.

Great things are in store for us in our Homes for the Aging as we look to the future, and we covet the earnest prayer and the continual support of every North Carolina Baptist as we move ahead in this challenging ministry to older people in our midst.

Heath Marsh

BAPTIST HOSPITAL

"Christian Stewardship" is a phrase frequently heard in staff meetings at Baptist Hospital. The hospital's leadership holds to a philosophy of administration based on stewardship and tries to pass this on to all employees. A continuing effort is made to help each employee, whatever his particular job, to realize that he is part of a team involved in a Christian ministry of healing. The difference this makes in the whole atmosphere of the hospital is evident to patients and visitors.

This sense of stewardship demands a continual updating and upgrading of medical procedures to assure patients the highest quality care. One of the most significant recent developments is the creation of a department of Family Medicine. This department provides primary health care for a limited number of families, that is, the kind of all-round, ongoing health care normally provided by a family physician. At the same time the department offers training in family medicine for physicians who will enter this field of practice. This will help to balance the trend of recent years toward increased specialization in the practice of medicine.

Many of the physicians training in family medicine are receiving part of their clinical experience in small towns and rural communities under the auspices of the Area Health Education Centers (AHEC), created by the State legislature. It is believed and hoped that some of them will choose to remain in these areas for their permanent practice.

Improvement of physical facilities is another expression of the hospital's sense of stewardship. In recent months renovation of the west and south wings of the hospital has been completed; construction has been completed on an addition to the water-chilling facilities; construction has begun on a 4-level parking deck in front of Reynolds Tower which will provide approximately 800 parking spaces for visitors; and construction has begun on a new building to house the new department of Family Medicine.

The Pastoral Care Department continues to make its contributions toward the fulfillment of our stewardship. A chaplain is assigned to each area of the hospital and is responsible for providing a pastoral ministry to patients, staff and visitors in that area. There are capacity enrollments in all phases of the Clinical Pastoral Education programs. A third satellite has opened in Morganton during the past year.

Mother's Day gifts for the fiscal year ending June 30 were \$405,946.52, compared to a total of \$390,000 for the preceding fiscal year.

Respectively submitted,
Mike Minnix

EVANGELISM

1975-76 was a good year for Evangelism across our state.

There was an overflow in attendance of more than 2,600 pastors and lay persons at the 30th Statewide Evangelism Conference at the Civic Center Auditorium, Asheville, February 2-4, 1976.

Lay persons and pastors continue to respond to the emphasis on lay witness training through Lay Evangelism Schools. During the past 4 1/2 years, 14,284 youth and adults have participated in these schools from 1,150 churches and 62 associations.

About 525 youth and adults attended the Youth Ministry Week—June 14-18 at the North Carolina Baptist Assembly. Fifty-three different types of decisions for Christ were made by youth.

There was a full house for the 6th Statewide Youth Evangelism Night, August 13, at the Greensboro Coliseum. Barry Wood of Lubbock, Texas was the guest preacher.

Two summer youth evangelism teams directed youth revivals and youth witness training in eighteen churches across the state for a one week period in each church.

The Division of Evangelism is continuing to cooperate with the Brotherhood Department in Lay Renewal Weekends and Ministry Evangelism Weekends.

A new area of work will be Youth Evangelism Strategy with an emphasis on four phases: Leadership Family; Touch Ministry; Discipleship Groups; and Joy Explosion. W. O. W.—Win Our World—is included in this strategy and involves specific witness training for youth.

The 31st State-wide Evangelism Conference will be February 7-9, 1977 at the War Memorial Auditorium in Greensboro.

Our Association has witnessed one of the greatest crusades ever with the James Robison Crusade team leading us. The response of our people was overwhelming as we prayed, worked and gave together. There were over a thousand decisions made. There were over 700 professions of faith.

One of the highlights after the crusade was the Seminar taught by Dudley Hall, a member of the James Robison team. There were over 700 people registered.

Your Evangelism Committee recommends the following program for 1976-77:

1. That we promote our Associational Sunday School Revival, October 31—November 5, led by Leon Kilbreth.
2. That we promote and attend the state-wide conference on Evangelism in Greensboro, February 7-9.
3. That we sponsor a 2 night evangelistic clinic on April 25-26 with T. D. Hall as our Speaker.
4. That we sponsor a family life conference led by Dudley Hall in August or September 1977.
5. That we participate in the Metrolina James Robison Crusade, September 18-25, 1977 in Charlotte.

FOREIGN MISSIONS

Southern Baptists should certainly be proud of the work of the Foreign Mission Board. The concept of a world wide missionary effort was one of the concerns that led to the formation of the Southern Baptist Convention. The Foreign Mission Board was one of two agencies constituted when the SBC was organized in May of 1845. Southern Baptists have made great strides for the Lord since 1845, and one of our greatest strides has been in the area of foreign missions.

In 1975, Southern Baptists gave \$48,527,407 for foreign missions. Of this total giving effort, 89.92% went directly to the foreign mission fields, 8.45% was used for administrative purposes, and 1.63% was used for promotion. The Lottie Moon Offering accounted for 48.38% of the total amount given for foreign missions in 1975. The \$23,480,144 Lottie Moon Offering in 1975 was the greatest ever.

At the close of 1975, Southern Baptists were supporting more than 2,650 missionaries in approximately 80 countries. As Southern Baptists we should be proud of our foreign mission work, but we can certainly do more. In the Bold New Plans, Southern Baptists are calling for 5,000 missionaries by the end of this century. These plans are bold, but we can easily reach this goal and others if we each do our part.

Dr. F. Ray Rummage, Jr.

HOME MISSIONS

Home Missions continues to be a very important part of the work of Southern Baptists. The role of the home missionary is of major importance in crossing cultural, religious, social, economic, and geographical barriers all around us.

Having 2,500 employed missions personnel at work by 1980 is the goal of the Home Mission Board. This represents some 400 more than presently employed.

Presently more than 1,100 home missionaries serve among minority ethnic groups. Another 300 missionaries work in various types of Christian families, illiterate persons, migrant people, unwed expectant mothers, juvenile offenders and ex-prisoners. Still another 500 missionaries serve as pastors of young congregations in pioneer mission states. In addition to these, the need for vocational missionary volunteers continue to grow.

A cold, frightening statistic tells us that more than half of this nation's people work, love, and play without any concern for or awareness of Jesus Christ.

With this before them, Southern Baptists come to the first years of our nation's third century preparing for a magnificent spiritual advance at home. The Home Mission Board, in cooperation with Southern Baptist Convention, is challenging all Southern Baptists to plan for, pray for, and give major attention to a Bold Mission Thrust. The objectives of this emphasis are to let every person in our land have an opportunity to hear and accept the gospel of Jesus Christ. It also provides every person an opportunity to share in the witness and ministry of a New Testament fellowship of believers.

Respectfully submitted,
Mrs. Donald Beaver

STATE MISSIONS

Cooperation and diversity are basic to the Baptist mission program. We are a state convention of 3,458 autonomous churches coming together to promote missions, evangelism, education, and social services. The Convention was founded for missions. It is held together because of missions. And its future growth depends upon a commitment to missions.

During the past several years State Missions has emphasized programs to strengthen church and association ministries.

Two important emphasis are Bible study and leadership training. A strong christian education program is the backbone of mission support.

A second major program of State Missions are the "Direct Mission" ministries. These programs lengthen the churches concern across the state, representing you in areas where your church does not serve. The ministries include Deaf Missions, Resort Missions, Student Missions, Chaplaincy and Language Ministries, Christian Social Ministries, and Inter-racial Ministries.

State Missions is supported by the Cooperative Program and the annual State Missions Offering, September 19. The special offering is similar to the Lottie Moon Christmas Offering (Foreign Missions) and the Annie Armstrong Easter Offering (Home Missions).

The 1976 State Missions Offering goal is \$400,000. The offering distribution, approved by the 1975 Baptist State Convention, is as follows:

- \$175,000 Basic State Mission Budget
- 43,000 Fruitland Classroom Building
- 72,000 Caraway Conference Center
- 10,000 Special Mission Projects
- 100,000 Baptist Assembly (Caswell)

Your prayers, your talents and your mission dollars are needed so North Carolina residents may continue to grow in the knowledge of our Lord and Saviour, Jesus Christ.

Respectfully submitted,
Arthur Plummer

We, the members of Baptist churches in Cabarrus County and adjacent territories in Mecklenburg, Stanly, and rowan Counties, State of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I - NAME

The name of this body is the Cabarrus Baptist Association.

ARTICLE II-PURPOSE

The object of this Association shall be to devise and recommend measures for increasing the intelligence and spiritual power of the churches, and for developing and directing their agencies, their resources and gifts in advancing the Redeemer's Kingdom throughout the whole world.

The means of accomplishing this shall be in strict conformity with the teachings of the New Testament.

ARTICLE III-MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which continue Baptist in faith and practice, and that cooperate with the Association, and that support the Association and the agencies of the State and Southern Baptist Convention.

Section 2. The Association shall be sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and By-Laws. Affiliated churches may also withdraw as they desire. For a body to be considered for membership in the Association, it must:

(1) Be a church applying from a sister Association, coming in good standing, or:

(2) A mission established by a current member church, or:

(3) A body guided from its beginning by a cooperating relationship with the Missions Committee of the Association, or;

(4) An established church desiring affiliation, giving satisfactory evidence of their belief in Southern Baptist faith and practice.

Section 3. Churches desiring to affiliate with this body shall apply and shall submit a written request to the Committee on Petitionary Letters at least sixty days before the Annual Meeting of the Association. If recommended unanimously by this Committee and accepted by a majority vote of the Association, the church

shall agree to come under the watchcare of the Association for a sufficient time to satisfy the Association of its intent to continue, through practice and attitude, a cooperating Baptist Church. Upon the recommendation of the Committee on Petitionary Letters, acceptance into the full fellowship of the Association shall be confirmed by vote of the Association. During this period, members of such churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. The Association shall not maintain fellowship with any church that departs from Southern Baptist faith and practice and fails to maintain a spirit of cooperation with the Association. Any church failing to report the Annual letter to the Association, or failing to be represented at the annual meeting, or failing to support, worthy, Associational and Denominational Missions, for two consecutive years, shall be notified by a special committee of the Executive Board that if their failure is not remedied by the next annual meeting, recommendation shall be made to remove said church from membership in the Association by two thirds majority vote of messengers present and voting.

COMMITTEE ON MISSIONS

The Committee on Missions meets regularly each month. We accept it as our responsibility to maintain property, to assist in the beginning of new churches as we are needed, and to direct the ministry of chaplain service in the state prison located in our county.

We have been kept informed about the beginning of two new churches in the last few months, United Love Baptist Church, in the south of Cabarrus County, and True Gospel Missionary Baptist Church, presently meeting in property on US-29, US-601 By-Pass.

The Committee on Missions has requested pastoral aid for Green Acres Mission, Covenant Baptist Church, and Grace Baptist Church.

We are delighted to report to our association that 34 churches participated in a World Missions Conference. It was a good conference. We are grateful for the assistance of many people in our churches who worked together to make this possible.

Under the supervision of this committee, Miss Susan Setzer, our Summer Youth Corps Worker served well for ten weeks. She gave a great deal of attention to Back-Yard Bible Study in housing project areas. Her efforts to enlist the help of youth from many churches proved effective. She also taught in VBS and spoke in several churches.

For several years our association has sought to institute a ministry of witness in the prison at Mt. Pleasant. This year it has not only begun, but has been richly blessed of the Lord. The responses are thrilling indeed. Rev. Bill Greenwood, pastor of Providence Baptist Church, Harrisburg, is serving as our part-time chaplain.

WOMAN'S MISSIONARY UNION

At the beginning of the new year the Associational WMU held the Leadership Workshop at Kerr Street Baptist Church. Almost 200 leaders came from many churches to learn better how to be effective workers in their church.

At the Annual Meeting held at Brookdale Baptist Church, Rev. Thomas E. Sherrill brought a challenging message on missions in North Dakota where he and his wife serve the Lord.

Four of our churches are to be congratulated for this year's work.

Oak Ridge Baptist Church - Merit
North Kannapolis Baptist Church - Advanced
Phaniels Baptist Church - Distinguished
First Baptist Church, Kannapolis - Distinguished (8 years)

AGE-LEVEL REPORTS:

In addition to leading the Fall Workshop, Mrs. Ned Robinette conducted a workshop with Mission Friend leaders where they shared ideas and ways to improve their teachings.

Mrs. Edna Freeze reports that she helped organize a Girls in Action at Eastside Baptist Church. The talent show was a great success again this year. The highlight of the year was the African Day Camp held at Pitts Baptist Church. About 90 girls and their leaders participated in African food, games, crafts and mission study. For the past 26 years Mrs. Edna Freeze has been working with GA's and their leaders. We want to thank her for giving of herself in such a wonderful way.

Mrs. Colon Shue and Mrs. C. M. Howell were Co-Directors with Acteens this past year. They conducted a Studiact workshop at Jackson Park Baptist Church and the International Student Party at Calvary Baptist Church with 3 foreign students and 75 Acteens showing them the love of Christ.

Mrs. Ed Hall reports a new Baptist Young Women's group was organized at West Point Baptist Church. The Baptist Young Women's Choir under the direction of Mrs. Belinda Snodderly performed many times during the year.

Mrs. Glen Hartsell, Baptist Women's leader was responsible for the leadership clinic in September and organized the Rocking Chair Party where a program of music and magic was presented by Mrs. Belinda Snodderly. A new Baptist Women's group was organized at Mt. Carmel Baptist Church.

All the WMU ladies in Cabarrus county had the opportunity to help provide for a Christman party at the prison on Albemarle. Also several dozen pairs of panty hose were sent to the Women's Prison in Raleigh to help make Christmas a joy for them. Many of our ladies helped contribute to purchase a piano for Green Acres Mission. It has been a good year.

BROTHERHOOD

This has most certainly been one of the best years for Brotherhood work in the Cabarrus Baptist Association. Everywhere I have turned our churches are expressing interest in beginning or renewing Brotherhood work in their churches, either by way of RA work or by a Baptist Men's organization.

In November we held our annual Associational RA Pine Car Derby. The winners went on to the state competition at the State Crusader Congress.

On January 16 about 250 Baptist Men met at the Franklin Heights Baptist Church for our annual Associational Prayer Breakfast. After an exceptionally delicious breakfast we were most inspired by music provided by the McGill Avenue Baptist Church Men's Chorus and by a stirring message by one of our Foreign missionaries who was here for the World Missions Conference.

January also saw the beginning of one of the best Associational RA programs we have ever tried. Our Associational RA Basketball program had 11 teams participating, representing five churches. The winners in the association went on to the state regional tournament where one of the teams was runner-up. To end our basketball program we held a banquet where we presented trophies to our associational winners.

In May we had the largest participation in an Associational RA Track Meet to date. There were 11 churches participating. The winners from our association then went to the state meet where they became state RA track meet champions. The trophy they won is now in the associational office.

This past summer we had a Day Camp for Younger Crusaders. Nine churches were represented. We are still getting reports of good things that have happened as a result of this meeting.

This fall (September and October) we held a Pioneer Fall Festival and a Crusader Roundup. All of these meetings are designed to strengthen the local RA chapters.

On September 19 we held the Associational Brotherhood Leadership Training Conference with a program which was praised by our State Brotherhood leaders.

I would like to give special recognition and thanks to the Associational RA Executive Committee who's members have worked so hard this past year to make our program one of the finest in the state. These members are: Mrs. Raiford Troutman, Keith Troutman, Juney Jung, Larry Belk, John Eury, and Rev. Frank Hopkins.

SUNDAY SCHOOL

The Cabarrus Baptist Associational Sunday School has experienced a very busy and rewarding year 1976-77.

The year began with the Sunday School Revival Week held in the A.L. Brown High School Auditorium, Kannapolis, October 31 - November 5. This was a very inspirational and informing meeting for the many that attended.

We also encouraged and aided wherever possible in the January Bible Study in the many churches throughout our association, when many of our people were led in a week of concentrated Bible Study. In the month of March, 1977, six Sunday School leadership conferences were held in convenient locations throughout our association. These conferences were led by our associational age-group leaders and we were able to reach about 250 of our Sunday School workers for which we praise the Lord for this great response.

Our Associational VBS Director and the age-group leaders attended the State VBS Clinic at Camp Caraway. They then led an associational VBS clinic at the First Baptist Church, Concord.

Rev. George Shore, Rev. Howard Wilson, and I attended a workshop in Greensboro, North Carolina, and returned to lead a Pastor-Director workshop for our church pastors and Sunday School directors at the Franklin Heights Baptist Church on August 15, 1977. The purpose of this workshop was to lead our pastors and Sunday School directors to see the importance of planning the work of the Sunday School in the local church. We had 33 churches represented at this meeting and believed it to be very profitable for those who attended.

Associational Sunday School leadership night was held at the Brookdale Baptist Church, September 13, 1977. A large number at our Sunday School workers attended and was informed of the Sunday School emphasis for 1977-78.

Our Associational Sunday School Council met in several planning meetings this past year and we would like to thank the following: Rev. George Shore, Director of Missions; Rev. Willard Jenkins, General Officers Leader; Rev. Howard Wilson, Adult Leader; Rev. Tommy Knotts, Youth Leader; Mrs. Howard Wilson, Children's Leader; and Mrs. Ronald Barger, Preschool Leader.

We are looking forward for great things to happen in the coming year in our Sunday School work as our emphasis will be on teaching and learning improvement. Pray for us as we try to lead.

A. M. Moon

CHURCH MUSIC

Music in our churches continues to be an area of growth and development. While many areas of church life, in recent years, have been on the decline, church music continues to climb.

Last fall as a part of the Sunday School Revival, the churches of the association formed a mass choir with Rev. Richard Bailey and I serving as co-chairmen. Herb Meadows of the Leon Kilbreth team led the combined choir for the services.

During the spring a supper meeting was held for the Ministers of Music and the volunteer/part-time music directors of our association. Following the meal, time was given for sharing ideas that have worked for us and planning future work.

On August 23 at the McGill Avenue Baptist Church a training session was held for church music personnel. Classes were offered in the following areas: (1)

Minister of Music, volunteer/part-time music director, (2) accompanists, and (3) children's choir workers. Those who attended received help in their particular area of work.

The First Baptist Churches of Concord and Kannapolis along with McGill Avenue will present the cantata, "Reaching People", by William J. Reynolds at the Tuesday evening session of the annual meeting.

This has been a good year but there is much yet to be done. I thank you for the privilege of serving as associational music director.

CHURCH TRAINING

The Church Training Program started off the new year with a well attended Leadership Lab on October 11, 1976, at the Calvary Baptist Church.

"M" Night was held at the Centerview Baptist Church with Dr. Lawrence Childs speaking on the theme: "Mobilize for Discipleship."

On April 18-19, 1977, a Baptist Doctrine Conference was held at the Royal Oaks Baptist Church with conferences for the Adults, Youth, and Children.

I want to thank all who helped in planning and in working to make this a good year in Church Training.

ORDINATION ADVISORY COMMITTEE

The Ordination Advisory Council was called upon by the following churches during the year for the purpose of examining candidates for the gosepl ministry.

On June 10, 1977, upon the request of the Central Baptist Church, the council examined Donald Leonard as a candidate for the ministry.

On July 25, 1977, upon the request of the Central Baptist Church, the council examined Bobby Mowery as a candidate for the ministry.

Both of these candidates were examined concerning their Christian experience, their call to the ministry, and the Biblical doctrines concerning what they believe about the Bible, God, Man's Salvation, God's Purpose of Grace, the Church, Baptism, the Lord's Supper, the Lord's Day, the Kingdom, Last Things, Evangelism and Missions, Stewardship Cooperation and Religious Liberty.

We are grateful for the privilege of representing you, the Cabarrus Baptist Association, in preparing these two men for the fulfilling of God's will for their lives. We recommend that both men be ordained and both have been ordained.

CHRISTIAN LITERATURE

What is perhaps the greatest challenge faced in all the history of Southern Baptists is before our people for the remaining 23 years of the 20th century. It has been called "Bold Missions Thrust," and the success of the venture is yet to be determined. There is no doubt concerning the importance or the motivation for the undertaking, but there is uncertainty as to whether the motivating message will be successfully communicated to some 13 million Southern Baptists, and to our more than 34,000 churches. Without adequate communication channels, the program cannot succeed.

The heart of the program is to evangelize and congregationalize the world's population, and the thrust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusting Christ as Saviour, and then leading them to understanding of His lordship.

The program is so big, and the challenge so great, that every Baptist must be involved to make it successful. Not since Jesus presented his disciples the goal of going into all the world has much boldness been demonstrated.

The most difficult problems faced in our churches are related to communications. When people are uniformed, poorly informed, or misinformed, they get into trouble. When they know what is taking place in their local congregation and in the denomination, interest is generated and cooperation results. Openness is therefore important, and the purpose of the BIBLICAL RECORDER is to keep Baptist church members informed concerning involvement in their denomination, and in the Christian world.

In light of developments presently underway in our denomination, it is important that every Baptist church member in North Carolina receive the BIBLICAL RECORDER weekly. Already more than 1,100 churches in our state are providing through their budgets for the RECORDER to go to all resident families. The Southern Baptist Convention has adopted a circulation goal of eight million for state papers by 1980. The Southern Baptist Convention believes that every Baptist family ought to be receiving its state Baptist paper. RECORDER circulation approaches 120,000 but should be increased in the immediate future to 150,000.

If your church is not sending the RECORDER to resident families at the present time, arrangements should be made immediately to do so by incorporating it in your church budget. Cost less than half the price of a postage stamp per issue, it is delivered by US Mail directly to your home address.

The RECORDER doesn't cost; it pays! Your church will be a healthier congregation if you provide the RECORDER for your resident families. It is the most widely read piece of literature received by North Carolina Baptists. No investment pays greater dividends.

Miss Lou Brogden

SEMINARY EXTENSION COMMITTEE

The Committee on Seminary Extension has continued to be active this year with courses offered in the Fall of 1976 and the Spring of 1977. There was an enrollment of 20 in the fall with two courses offered on the Gospels of John. The classes met at the Associational Office Building on Spring Street on Monday nights.

There are two levels of curriculum offered through Seminary Extension in our area. The Basic Curriculum Series offers courses for pastors and laymen who might not have had the opportunity to finish high school. The College-Level Curriculum Series includes courses developed on a more difficult level.

as we began a new associational year, the Seminary Extension Center has opened with three courses offered and an enrollment of 59.

Churches are encouraged to motivate their members to attend these classes.

ANNUITY BOARD

In 1976, The Annuity Board of the Southern Baptist Convention recommended a new retirement program which was approved by all the state Baptist Conventions. The new program called the Southern Baptist Retirement Program will go into effect January 1, 1978.

Detailed information will be presented to churches in the early fall with a ROUTE 10 promotional theme, according to Darold H. Morgan, president of the Board.

The Board paid \$17,138.343 in benefits to 11,925 widows, retired or disabled members in 1976. During its 59 years of service, the Board has paid more than \$158 million in retirement and protection benefits.

A 13th Check amounting to one month's income was mailed for the eleventh time to annuitants.

Most members benefit from a decision to increase the interest rate for figuring retirement benefits. Annuitants began receiving larger checks as of January 1, 1977.

For almost 45,000 members, the Board held in trust funds totaling \$472,218, 669 for retirement benefits for the year ending 1976.

The Annuity Board also administers life, medical and disability insurance programs, which reflected increases in membership.

Additional information concerning the Annuity Board and its programs of retirement and insurance may be obtained from the state convention offices or by contacting the Annuity Board, SBC, 511 Akard Building, Dallas, Texas 75201.

In North Carolina as of March 31, 1977, 2, 787 staff members of 2,196 churches and associations are participating in the Southern Baptist Retirement Program; 2,491 in the Family Benefit Section; 1,275 in the Age Security Section and 240 in the Variable Benefit Section.

STEWARDSHIP

God's mandate to every church and every Christian is to "Go ye into all the world." We have an obligation to be faithful stewards in all that God has given us.

The faithfulness and missionary vision of our churches helps to maintain a strong Christian witness at home and abroad, wherever man is found. Someone said, "The sun never sets on the Cooperative Program dollar". Neither does the smile of God's approval and His blessings as this dedicated money and manpower serve Him. We must become aware of the urgency in God's call and get to the

business at hand, thru increased giving . . . greater percentages to the mission programs, and a cooperative spirit in our churches. To accomplish these things for our Lord, we need to do something. Let every church increase her giving by 15% or more to the Cooperative Program. Let every Christian pray for our missionaries, and our Mission Program around the world. Consider strongly 3% or 5% for associational missions . . . for our work here at home, and in our own county. Dedicate ourselves anew to being that witness and steward that would empower us for the task at hand.

MEMORIALS

Whereas, death has removed from us our beloved brethren in Christ,
Therefore be it resolved:

We recognize that we cannot understand the mysteries of life and death, nor can we comprehend the greatnesses of Heaven, but we accept that the Lord has gone before us to prepare a place for his faithful followers.

We believe death is a temporary separation of the faithful, because Christ has said, "Because I live, ye shall live also." Therefore, we cannot weep, but shout "Hallelujah!" for the greatest feat is accomplished: their triumphal entry into a better land.

We are promised that all will be rewarded according to their faith and works. Therefore, we honor our deceased who have passed to their reward. On earth we were aware of their great qualities of love, concern, friendship, faith, hope, action and trust in God. We are comforted by the inner knowledge that God will reward justly. Furthermore we can be comforted by the many happy memories we have to hold and to cherish. And lastly, we can be comforted by the inner peace that all of the faithful will be re-united together and with Christ in His Glory.

The faithful who go before us act as our inspiration and challenge, Even though we are saddened and distressed by our losses here on earth, we are gladdened by the knowledge that "To live in hearts we leave behind is not to die."

I DO NOT GO ALONE (By Helen Steiner Rice)

If death should beckon me with outstretched hand
And whisper softly of 'An Unknown Land,'
I shall not be afraid to go
For though the path I do not know . . .

I take Death's Hand without a fear,
For He who safely brought me here
Will also take me safely back
And though in many things I lack . . .

He will not let me go alone
Into the 'Valley That's Unknown,'
So, I reach out and take Death's Hand
And journey to the 'Promised Land'!

BAPTIST HOMES FOR AGING

The past year in your North Carolina Baptist Homes for the Aging has been one of the fullest and most exciting in the twenty-six years that the Homes have been ministering!

Of keenest interest was the ground-breaking service for the new Western North Carolina Baptist Homes, on the Pearson Estate on Richmond Hill, in Northwest Asheville, last October, when more than a thousand people from our Western North Carolina Baptist Churches, as well as many others throughout the State, were present. It was a thrilling moment indeed when Trustees, Staff, and Residents of the Homes, Pastors, and other Church Leaders latched on to ropes, attached to a huge bulldozer, pulled together and helped to move the first dirt at the site, heralding the beginning of the construction of your sixth Baptist Home for the Aging.

Construction is now underway for this lovely Western North Carolina Baptist Home, which will initially accomodate 50 people.

Another exciting venture is the construction of four duplex apartments at the site of the Hayes Home in Winston-Salem. These apartments will care for 16 additional persons and will be ready for occupancy in the fall of 1977. Sixty-six more people will be served in our Baptist Homes family in the next two years.

Gifts from our Baptist people have been very encouraging during the past year through the Cooperative Program and through the third Sunday of February Offering. These sources supply 35% of the total budget of the Homes and are used continually to supplement the care of the majority of the residents who cannot pay their full cost of care. They are love gifts indeed and are a life-line for those whose needs could not be met without them.

The needs of older persons in our society today are great and are overwhelming. Plans are in the making for an accelarated ministry in our North Carolina baptist Homes that will touch an ever increasing number of persons.

These plans will call for a greater concern and commitment on our part than ever before. The future of our North Carolina baptist Homes is as bright as the promises of God, and, in that future, the Lord, and these older people in our midst, will be looking to you to share in meeting the needs as we reach out and serve more of these dear ones who desperately need help.

Heath Marsh

BAPTIST CHILDREN'S HOMES

North Carolina Baptists are fortunate to be a part of a ministry such as that of the Baptist Children's Homes of North Carolina, Inc.

North Carolina Baptists provides a ministry of love and care to more than one thousand children annually. The care of children is missions. The program is more than a roof over their heads, food in their stomachs, activities and recreation. It is tender loving care, affection; it is sharing the joy of a/or the life in Christ. It is education, teaching how to appreciate the finer things in life.

Many times we cannot keep children from being separated from their parents and families, but the purpose of the Baptist Children's Homes of North Carolina is to help make up this loss through providing a Christian Ministry of quality child care. Quality child care is given at Mills Home, Kennedy Home, Odum Home, and Broyhill Home, where children are nurtured and sustained in their growth as they develop into strong purposeful people.

Foster care is offered to those who need a closer family relationship. Maternity care is offered to the unwed mother and her child. To provide time for a more permanent plan. Emergency care is offered to the child who needs immediate short term care.

Social Work and Family Resource Centers work with families in providing services to children, family rehabilitation, family education, and preventive services.

Helping provide these services are Baptist of the Cabarrus Baptist Association. No greater investment can be made in the future of God's Kingdom and in the future of America than to invest in children, teaching them Christian Love and God's Way.

Richard Collins

NORTH CAROLINA BAPTIST HOSPITAL

The beautiful stained glass window in the front of Davis Chapel at Baptist Hospital has three large panels, each depicting an aspect of Christ's ministry: healing, teaching, and preaching. The window serves as a reminder to the staff that Baptist Hospital has also been commissioned to this three-fold task.

The hospital's primary task, obviously, is healing and it attempts to obtain and use the best personnel and equipment available for the healing task. The medical staff consists of competent, dedicated men and women in all the various specialties of medicine. Persons with rare and complicated medical problems are referred to Baptist Hospital by their family physicians for treatment. Last year 158,863 visits were made in the hospital's Outpatient Department and the Bowman Gray Department of Clinics. There were 22,365 admissions to the hospital for a total of 193,942 patient days. These patients came from 90 counties in North Carolina, from 29 other states and from 3 foreign countries.

Baptist Hospital is also involved in teaching. In cooperation with the Bowman Gray School of Medicine of Wake Forest University, it helped to train 1,188 students last year for careers in medicine and allied health fields. In addition, there were 87 graduate students in the basic sciences. The hospital also provided clinical facilities for 483 student nurses from 3 nearby schools of nursing and for 120 students in other allied schools. The School of Pastoral Care last year enrolled a total of 75 students in various levels of Clinical Pastoral Education.

The hospital also has a preaching ministry. There is preaching in the formal sense at least four times a week in the worship services held in Davis Chapel. In a less formal sense, the Christian Gospel is proclaimed daily by staff, students, patients and others who witness to their faith in word and deed.

In all of these ministries, Baptist Hospital is mindful of its Christian heritage and its strong tie with the Baptist State Convention. This tie is maintained and strengthened through the services of capable, dedicated trustees who are elected by and are responsible to the Convention. The tie is also strengthened through the financial support from the churches; last year \$294,324 was received through the Cooperative Program and \$405,947 through the Mother's Day Offering.

Several members of the hospital staff have assumed active roles in denominational life at the association level and the state convention level, as well as in their local churches. For the past five years hospital personnel have assisted in Cooperative Program promotion in at least two associations each year. Staff members are pleased to do everything possible to strengthen the denominational tie, believing that this adds a dimension to the ministry of healing, teaching and preaching.

Mother's Day gifts for the fiscal year ending June 30, 1977, were \$411,225.56 compared to a total of \$409,946.52 for the preceding fiscal year.

Clyde R. Hawkins

EVANGELISM

The pastor's Evangelism Planbook 1977-79: **EVANGELIZING AND CONGREGATIONALIZING** has already been sent to all churches. It includes various emphasis on The Evangelistic Church on Bold Mission. Additional information on this theme will be shared with pastors and church leaders.

"Bold in Creative Witness" was the theme of the 31st Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 7-9, 1977. About 2,400 pastors and lay persons were present to hear the challenging messages of the evangelistic speakers.

Over 500 youth and adults came to the North Carolina Baptist Assembly for the Youth Ministry Week - June 13-17, and many different types of decisions for Christ were made public by youth. The emphasis was on youth evangelism, vocational guidance, and recreation.

About 12,000 youth, pastors, and adult leaders attended the 7th Statewide Youth Evangelism Night - August 19 - at the Greensboro Coliseum. Jim Wilson and Larry McFadden of Orlando, Florida were the guest preacher and soloist. All youth who make decisions for Christ are contacted by pastors and adults with regard to specific follow-up counseling.

Thirty-six churches across the state are having one week youth revivals and youth witness training under the direction of four Summer Youth Evangelism Teams. Let us rejoice in all the decisions for Christ made by youth.

Excellent reports have been received on Lay Renewal Weekends and Ministry Evangelism Weekends in various churches. The Division of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Sixty-five associations have participated in one week Lay Evangelism Schools in recent years with other 14,400 youth and adults receiving lay witness training from 1,175 churches. Our association is planning a Lay Evangelism School January 30 - February 2 led by Dr. Delos Miles, Department of Evangelism, South Carolina Baptist Convention.

Several thousand persons have attended evangelism clinics and conferences held in associations across the state. Rev. T. D. Hall led an Evangelistic Clinic in our association on April 25-26.

Our association promoted a Sunday School Revival with Leon Kilbreth October 31 - November 5 in the Brown High Auditorium.

Rev. Dudley Hall led a Christian Living Seminar at West Point Baptist Church, September 8-10.

The 32nd Statewide Evangelism Conference will be held at War Memorial Auditorium, Greensboro, on February 6-7, 1978.

Your Evangelism Committee recommends the following program for 1977-78:

1. A Lay Evangelism School January 30 - February 2 led by Dr. Delos Miles, Columbia, South Carolina.
2. An Evangelism Clinic April 10-11 with Rev. Leon Kilbreth.
3. A one day, 6 hour Seminar on Growing an Evangelistic church, led by Dr. Earl Crumpler, Columbia, South Carolina.

CHRISTIAN HIGHER EDUCATION

Baptist of North Carolina are deeply involved in the ministry of Christian Higher Education through the support of six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. During the 1976-77 academic year, 13,733 persons were enrolled in the seven schools. The number graduating in May, 1977 was 2,493.

One strong emphasis of Baptist Colleges is the preparation of pastors, missionaries and other church vocation volunteers. In the fall of 1976, there were 846 persons preparing the church-related vocations at North Carolina Baptist Colleges.

The recruitment of more Baptist young people is a major concern of the colleges. Pastors and other church leaders are urged to encourage the youth from Baptist churches to attend a Baptist college. During 1977, the pastors have given the names of more than 6,000 prospective students to the colleges through the Council on Christian Higher Education. These students have received information from the colleges and from the Council office.

Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students financially in order to make available the educational experience at a Christian college. An offering is received on Father's Day each year to provide aid for North Carolina Baptist young people. Students who need to apply for financial aid should make application to college early in the junior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Mission emphasis of Southern Baptists a vital and successful ministry.

ARTICLE I - NAME

The name of this body is the Cabarrus Baptist Association.

ARTICLE II - PURPOSE

The object of this Association shall be to devise and recommend measures for increasing the intelligence and spiritual power of the churches, and for developing and directing their agencies, their resources and gifts in advancing the Redeemer's Kingdom throughout the whole world.

The means of accomplishing this shall be in strict conformity with the teachings of the New Testament.

ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which continue Baptist in faith and practice, and that cooperate with the Association, and that support the Association and the agencies of the State and Southern Baptist Convention.

Section 2. The Association shall be sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and By-Laws. Affiliated churches may also withdraw as they desire. For a body to be considered for membership in the Association, it must:

(2) A mission established by a current member church, or:

(4) An established church desiring affiliation, giving satisfactory evidence of their belief in Southern Baptist faith and practice.

Section 3. Churches desiring to affiliate with this body shall apply and shall submit a written request to the Committee on Mutual Care at least sixty days before the Annual Meeting of the Association. Upon the recommendation of the Committee on Mutual Care acceptance with the fellowship of the Association shall be confirmed by vote of the Association. During this period, members of such churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. The Association shall not maintain fellowship with any church that departs from Southern Baptist faith and practice and fails to maintain a spirit of cooperation with the Association. Any church failing to report the Annual letter to the Association, or failing to be represented at the annual meeting, or failing to support, worthy, Associational and Denominational Missions, for two consecutive years, shall be notified by a special committee of the Executive Board that if their failure is not remedied by the next annual meeting, recommendation shall be made to remove said church from membership in the Association by two thirds majority vote of messengers present and voting.

REPORTS - Section One

(Those presented at Annual Meeting)

EVANGELISM

Section I. "The Evangelistic Church on Bold Mission" was the theme of the 32nd Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 6-7, 1978. Evangelistic speakers challenged about 2,400 pastors and lay persons to involve church members in bold evangelism.

Four summer youth evangelism teams preached in one week youth revivals and directed youth witness training in many churches across the state. One of these teams led youth revivals in nine churches in Maryland in a joint Bold Mission effort. Genuine decisions for Christ were made by many youth.

Over 900 youth and adults attended the largest Youth Ministry Week during July 3-8 at the North Carolina Baptist Assembly. All persons participated in specific witness training sessions. The emphasis also included vocational guidance and recreation.

About 12,500 youth, pastors and adult leaders attended the 8th Statewide Youth Evangelism Night - August 18 - at Greensboro Coliseum. Bill Hogue, Director, Evangelism Section, Home Mission Board, Atlanta, was the preacher; Richard and Judy Bradford, Albuquerque, New Mexico, were the soloists, and other youth shared on the program. Follow-up work is always assigned to pastors with all youth who make decisions.

Sixty-eight associations have participated in one week Lay Evangelism Schools in recent years with 15,000 youth and adults receiving lay witness training from 1,245 churches. Consistent witnessing to non-Christians is essential.

Section II. In January the association held a Lay School of Evangelism at the Royal Oaks Baptist Church. Dr. Delos Miles, Professor of Evangelism at Mid-western Seminary led approximately 150 people in training and actual soul-winning visitation.

James Robison spoke at A.L. Brown Auditorium in Kannapolis to an estimated 2,000 people on March 15 in a one night evangelistic rally. Approximately 160 decisions were made with about 70 first time decisions for Christ included.

Sunday School outreach was highlighted in April with the appearance of Leon Kilbreath for two evenings in an area church.

In May more than 35,000 tracts were distributed at the World 600, Charlotte Motor Speedway. A new brochure was prepared by the Associational Director of Missions and about 40 people took part in the two day missions effort.

In late September and early October members of various churches were planning to distribute tracts and do soul-winning visitation in an effort to effectively reopen the former Grace Baptist Church. A revival will follow the two weeks of community visitation.

On October 5, 1978 Earl Crumpler will teach an overview of the Home Mission Board Clinic "Growing an Evangelistic Church. The training will be held at the associational office from 9 a.m. until 3 p.m.

On October 7-8, 1978 the association will attempt to distribute approximately 40,000 tracts at the Charlotte Motor Speedway before and during the NAPA 500 Race.

Section III. The evangelism committee recommends the following activities next year.

1. One-night evangelism workshop - Spring 1979
2. Youth Evangelism Rally - Spring 1979
3. Tract ministry for Raceway
4. Evangelism conference - September

ANNUITY BOARD

While the Board grew in new retirement and insurance accounts, the investment earnings suffered due to poor stockmarket performance.

Key statistics in 1977 included:

1. A permanent 8.33 per cent increase in most annuitants' checks. The increase was retroactive to January 1.
2. A total of \$19,085,316 paid in retirement and protection benefits. Insurance benefits through churches, agency and seminarian programs exceeded \$12 million.
3. The enrollment of 545 new churches in the basic retirement plan. New pastors and church employees in Plan A numbered 2,169, and 3,000 members upgraded their program.

Plan A members increased from 27,598 in 1976 to 29,142 in 1977. Enrollment in Plan B rose from 25,598 to 33,062, but Plan C's membership dipped from 5,987 the previous year to 4,885 for the year ended.

In North Carolina as of March 31, 1978, 3,387 staff members of 2,257 churches and associations are participating in the Southern Baptist Retirement Program.

In Cabarrus Association 42 churches and 62 staff members are participating in the Retirement Program. Cabarrus Association is also participating for their staff.

WOMAN'S MISSIONARY UNION

The 1977-78 WMU Leadership for Cabarrus Baptist Association attended the State Leadership Training at Mundo Vista in September. An Associational Leadership Training Conference was also held in September at Shadybrook Baptist Church, Kannapolis. Conferences for all age level organizations and officers of Baptist Women were offered.

Quarterly council meetings were held with the Director of Missions meeting with the council.

Baptist Women's Day of Prayer was observed in November, with an Associational gathering at Royal Oaks Baptist Church and closer groups meeting in other areas of the association.

A manual study "WMU at Work in the Church" was held in February at Memorial Baptist Church, Kannapolis. The five hour study was held on a Saturday, with Mrs. Dennis Russell, Associational WMU Director from Gaston Association leading the study.

A methods workshop for Home and Foreign Mission studies was held, with representatives from local churches attending to prepare the study for their own church. Mrs. Hoyle Allred from the Gaston Association led both the adult studies; Robin Linker and Mrs. Bill Ross led the workshop for age level participants during the Home Mission workshop.

The annual Associational WMU meeting was held in April at McGill Avenue Baptist Church, Miss Nancy Curtis, Executive Director of North Carolina WMU was the guest speaker. The theme was: BOLD MISSION: Let The Church Reach Out...Let WMU Reach Out.

A quarterly newsletter, "The Party-line" was sent to WMU Leadership and pastors in our association.

The WMU Director and all age level directors have assisted a number of churches during the year with organization or re-organization. All churches not reporting a WMU organization were contacted and encouraged to call upon the Associational WMU leadership to assist them in the organization of one or more WMU organizations within their church.

The annual Girls in Action Talent Show was held in February at McGill Avenue Baptist Church, Concord, with 250 girls and leaders attending. Approximately twenty churches were represented in an individual talent performance.

The Acteen Council met to plan activities for the year.

The Baptist Young Women's Ensemble, under the direction of Mrs. Norman Snodderly, provided special music at the number of local churches and special associational gatherings during the year.

These churches received recognition for completing achievements and reporting to the state office on the WMU Achievement Guide this year; First, Kannapolis, Distinguished (9 years); Phaniels, Distinguished (2 Years); Calvary, Merit; Oak Ridge, Merit.

An Associational Bold Mission Key Leadership Conference was held in August. Twenty one churches and forty-five WMU leaders attended.

WMU organizations have supported two new ministries adopted by our association: Camp Ministry and a Christian Ministry Program. Mrs. Raiford Troutman and Mrs. Gene Creswell represented our association at a Camp Management and Programming Workshop in Raleigh, sponsored by the State WMU Leadership. A WMU Mission Action Director was elected in April, to begin duties in the 1978-79 church year. Mrs. R. S. Eddleman will serve in this leadership and will work closely with the Director of Christian Ministries in interpreting Mission Action and Direct Evangelism to WMU organizations in our association.

WMU organizations throughout our association joined with WMU organizations throughout North Carolina to provide Christmas gifts for the women at the North Carolina Correctional Center for Women in Raleigh. Approximately two hundred packages of note paper was sent from our association to be combined with various other gifts from across the state. This expression of love and concern for the women at the Correctional Center has opened the door for Christian Ministry there.

COMMITTEE ON MISSIONS

The Committee on Missions meets regularly, at least once each month throughout the year. In the year just closing, this committee has had responsibilities for the maintenance of the association's office building, and gave leadership to prison chaplain ministry at Mt. Pleasant. Also, we have served as the channel for financial assistance to several churches; we have been asked to help meet the needs of Grace Baptist Church; we have requested of the association that we purchase land for a Day Camp Ministry; we have asked the association to work jointly with the Home Missions Board in expanding our leadership in the area of Christian Ministries and we have passed on to the Constitution Committee recommendations to bring into being new committees to broaden the base of leadership in several areas of ministry.

We are specially grateful to Mr. and Mrs. Ivey Sipes for their magnanimous spirit, in selling to our association the property for our Day Camp Ministry. This property was sold to us at a price below that which was offered to them by private developers.

IN MEMORIAM

Whereas, death has removed from us our beloved in Christ.

Therefore be it resolved:

That God moves in mysterious ways His wonders to perform, which we in our finite beings do not understand, but we accept His will whether in life or in death, for we know that what He does is for our good and His glory. We believe that what God has in store for those who love Him will be glorious beyond our expectation, a celestial city where there will be no more sorrow, pain or death.

The Bible teaches that we shall meet those who have preceded us, for Christ said, "I go to prepare a place for you...that where I am there ye may be also." Let us be comforted knowing that we will be reunited in Heaven where there will be no more separation.

It is true that those who have known deep sorrow can better comfort others in their grief. Therefore, we do not come "with words alone, but with ourselves." We find that it is not a multiplicity of spoken words, but the silence of Christian concern that brings comfort and consolation to the bereaved heart.

There are many comforting Scriptures from Christ's life, death and resurrection, but these are resources which you already know and believe. For this knowledge we give thanks! We can only say that we grieve and rejoice with you at your loss in the physical life, and the gain in a spiritual victory!

"But thanks be unto God who giveth us the victory through our Lord Jesus Christ." I Corinthians 15:57.

Vernon Connell

BAPTIST CHILDREN'S HOME

The programs, services and facilities of the Baptist Children's Homes of North Carolina are being utilized well for the care of children and in providing assistance to families that need our help. North Carolina Baptists and other friends continue to support this ministry through personal involvement, prayer and financial support. It is the purpose of the Homes to provide quality care and to be worthy of the faith and confidence of our many friends and supporters.

Request are coming to the Homes from various sections of the state for additional community-based services (such as, emergency care and group homes). This is a wholesome trend in child care. Children can best be served and families strengthened when care can be provided reasonably close to a child's home. Our homes have been moving in that direction for several years. We will respond to additional request for programs and services as financial resources permit.

North Carolina Baptists have reason to be pleased with work that is currently in progress throughout North Carolina. In the piedmont area, Mills Home, foster home services, emergency care at Burlington and Charlotte, the high adventure program at Wall Home, the Child Development Center on the Mills Home campus, programs of crisis intervention, counseling, and family education fill a particular need in this area of the state.

We are in constant need of well qualified staff. This is particularly true of cottage parents and foster home parents. Join us in prayer that God will impress upon sufficient numbers of prospective workers that child care is a Christian vocation and that it affords wonderful opportunities for service.

We are deeply grateful for support of the Children's Homes which comes from our churches through the Cooperative Program, special gifts and the traditional Thanksgiving offering.

The forthcoming Thanksgiving offering is extremely important. This will be the last time that our people will have the challenge of making an over and above offering to the Children's Homes at Thanksgiving time. As a part of the Bold Mission thrust, the Thanksgiving offering for the Children's Homes in 1979 will become a part of the North Carolina Baptist State Missions offering to be received each September thereafter.

To bridge the transitional gap next year, our trustees have set a goal of \$1,000,000 (one million dollars) through the 1978 Thanksgiving offering. We are dependent upon our friends for financial support sufficient to carry on this ministry.

Respectfully submitted,
Calvin Faggart

BAPTIST HOMES FOR AGING

North Carolina Baptists will have accommodations for 300 people in our six Baptist Homes (Resthaven, The Hayes Home, The Albemarle Home, The Hamilton Home, The Yanceyville Home, and The Western North Carolina Baptist Home), the apartment complex and the Nursing Care Unit, when the North Carolina Baptist Home in Asheville is completed. This lovely facility is now under construction, and it is anticipated that it will be completed and ready for occupancy by February 15, 1979.

Residents of our Baptist Homes are grateful for the gifts from more than 3,400 Baptist churches through the Cooperative Program and the Special Offering for the Homes for Aging. These two sources furnish about 24% of the total budget of the Homes. If the 1979 goal of the State Missions offering of \$2,000,000 is reached, our Baptist Homes will receive \$300,000, representing a period of two years. Since the offering from the Special Offering is normally \$300,000, money will likely have to be borrowed to operate the Homes for aging. The percent of the Cooperative Program dollar going to the Homes has not been changed in the 27 years of the ministry of the Homes for Aging. This fact causes concern to the people involved in the operation of the Homes, for the needs of the Homes are greater than ever.

The growing edge of our national and state population is in the area of the aging, those 65 years of age and above. These citizens need more of our help, concern, and prayers. They will require extra attention and care in our churches, our communities, and in our Baptist Homes for Aging. We must join together in prayer and plans for those aging persons who must have our help.

NORTH CAROLINA BAPTIST HOSPITAL

Baptist Hospital continues to find ways of enlarging and improving its care of patients.

During the past year, the Department of Family Medicine moved into new quarters. It is anticipated that with the larger area, the Family Practice Center will provide primary health care for more than 5,000 families by 1980. Also, the teaching program for resident physicians in Family Medicine will increase to 36 positions by 1980. Many of these physicians are expected to enter family practice in North Carolina.

Other improvements in patient care include the installation of a whole-body scanner and the opening of new and larger facilities for the Intensive Care and Intermediate Nurseries. The body scanner is

particularly useful in locating and defining problems such as tumors in the chest, abdomen and pelvis areas; in determining the spread of disease from one organ to another; and visualizing aneurysms in the abdomen. The new nurseries have already played a significant role in reducing the infant death rate and in improving the chances of premature babies growing up without lasting effects from earlier medical problems.

Creation of a new Department of Patient Relations and the employment of a fulltime director has also helped to improve the quality of patient care. The primary function of this department is to respond to specific concerns patients have regarding their hospital care and to act in behalf of patients and their families in resolving problems and meeting needs.

A closed-circuit television system will soon be carrying services from the hospital chapel, other devotional programs and educational programs to patient rooms. This system will also be used in staff education programs. The equipment was purchased with funds from the estate of Miss Olivia Hall who worked for Baptist Hospital for nearly a half-century.

The Department of Pastoral Care continues to make a significant contribution to patient care as well as in clinical pastoral education, counseling and enrichment events. During recent months the department has begun another satellite center; this fourth satellite is in Charlotte and is operated in cooperation with the Mecklenburg Baptist Association. In April of this year, the Counseling Center received accreditation by the American Association of Pastoral Counselors.

In recent months, the Medical Center Challenge Program completed a successful fund campaign, over-subscribing its \$18-million goal. The final project in this program will be the replacement of the original hospital building, opened in 1923, with a new Focus Building which is scheduled for completion in 1980.

CHRISTIAN HIGHER EDUCATION

Baptists of North Carolina support and operate, through elected trustees, six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. The histories of these colleges and the Baptist State convention have intersected and intertwined since 1834. While not all of the colleges were begun by the Convention per se, all were begun by Baptists, with strong convictions about the need for Christian higher education. The seven colleges have been in operation for a total of 729

years. Currently, faculty and staff number 1,441. During the 1977-78 academic year, the full-time enrollment of the colleges was 13,000. The total enrollment, including summer school and special students, was more than 19,000.

Baptist colleges serve Christ and Baptist people best when they are truest to their primary mission, Christian education. Christian education is education under Christian auspices for Christian ends. Christian education is Christianity operating in the field of enlightenment. A Christian college is a college founded and maintained and conducted by Christian people in the service of the Kingdom of God.

Because Christians affirm the doctrine of creation, there is no subject of investigation which is inappropriate for Christian education, from Art to Zoology. The telescope becomes the tool of the Kingdom for those who believe that "The heavens declare the glory of God." The historian's pen and the biologist's microscope are welcome allies to those whose quest is "That at the name of Jesus, every knee would bow, of things in heaven, and things in earth, and things under the earth."

Churches are urged to encourage their youth to attend a Baptist college. Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students with financial aid. Students who need to apply for financial aid should make application to college early in the senior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support through the cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Missions emphasis of Southern Baptists a vital and successful ministry.

PRISON MINISTRY

Twenty months ago Cabarrus Baptists entered upon a bold outreach ministry to our county's Prison Camp at Mount Pleasant. The Association funded a part-time Chaplain, Rev. Bill Greenwood, Providence Baptist Church, Harrisburg, North Carolina to minister to the 110 men there. Our second year finds us continuing to evangelize and disciple men among this prison population. Inmates are open, usually open to the Gospel. My four hours every Tuesday afternoon out at Mount Pleasant is challenging yet rewarding work. This strategic outreach to often forgotten men has seen many men come to Christ and others disciplined in the Christian faith. The Unit Captain, M.A.

Stiller, has assigned to me the oversight of all Prison religious activities, especially as this relates to co-ordinating outside churches visiting the Prison Chapel for weekend services.

A fellow Baptist, Joe Cox of the Royal Oaks Baptist Church, Kannapolis, continues to minister alongside me in a most effective way. His faithfulness and thoroughness mean a great deal to the inmates. Such has been the growth of the concern of several Christian inmates that they are reaching out in missionary fashion to the Albermarle Gun Camp 20 miles away. In a very real sense, a prison church has emerged in the cellblock. Prisoners for Christ, an inmate outfit is the focal point for this congregation. Inmates have the opportunity to worship together several nights a week all because of the faithfulness of some concerned laymen and preachers-mostly of the charismatic variety. Inmate testimonies are a vital part of many of these services. We have seen conversions all along, including several dramatic ones, ie-a homosexual, a drug addict, a murderer, and an atheist.

Less dramatic but equally important is our ministry to the Guards. Our long-term commitment to this prison ministry has gained the confidence of the Front Office and Prison Guards.

Although I may be full-time with the Providence Church soon, it is reassuring to know that our Association is firmly committed to this vital outreach in the years ahead.

Finally, I would challenge the churches of our Association to find other target groups in Cabarrus County to minister to in Christ's name. This particular ministry needs laymen and youth to get involved. Visit the prison. Investigate its possibilities for mission and ministry. What a rewarding place of outreach for our Baptist Men's units and young men going into the ministry! Support our Cabarrus Baptist Association and our Associational Missionary, Mr. George Shore, in this Bold Mission ministry. Only our Lord fully knows the need and results of our work for Him there.

Bill Greenwood, Chaplain

RESOLUTION #Two

WHEREAS, we face the need for men and women of integrity within political and governmental organizations from the local level to the state level;

WHEREAS, we the citizens are responsible for placing persons in the political and governmental organizations through democratic processes;

WHEREAS, Tuesday, November 7, 1978 is Election Day in which many offices will be filled;

THEREFORE BE IT RESOLVED, that messengers to the Forty-Third Annual Session of the Cabarrus Baptist Association assume the solemn responsibility of Christian citizens by giving prayerful consideration to each issue and each person on the ballot and encourage their fellow Christians in the local congregation to do likewise;

BE IT FURTHER RESOLVED, that upon prayerful searching for divine guidance each Christian exercise the right and privilege to vote on November 7, 1978;

AND BE IT FURTHER RESOLVED, that Christians be urged to keep informed about political affairs, the voting records of office holders and the issues that confront us as a people.

WHEREAS, on Wednesday, May 31, 1978, the North Carolina General Assembly convened to consider certain matters of public business and concern; and

WHEREAS, the most significant moral issue on the agenda of said session concerned House Bill (H.B.) 735, the most recent of numerous attempts to expand the sale of alcoholic beverages in this State by the introduction of liquor by the drink (LBD); and

WHEREAS, on Thursday, June 1, 1978, the Concord Tribune reported the following:

(1) "Representative (Betty) Thomas said today that mail had poured into her Raleigh office urging her to vote against the liquor by the drink (LBD) bill. The objections to the bill outweighed the support and the Concord representative said she would vote "NO".

(2) "Representative (Aaron) Plyler said he will cast a negative vote because "a great majority have requested I vote against liquor by the drink (LBD), and I must vote their wishes."

(3) "Representative (Dwight) Quinn said he must consider the feelings of the majority of his constituents in the two-county district (of Cabarrus and Union Counties) and cast a negative vote on said bill."

WHEREAS, at the first reading of H.B. 735 before the North Carolina House of Representatives each of said representatives cast a negative vote on said bill and said bill was defeated; but

WHEREAS, at the third reading of H.B. 735 on Friday, June 9, 1978, Representatives Thomas and Plyler affirmatively voted for its' passage, thereby reversing their public commitment and violating our confidence and trust in them; and

WHEREAS, as a direct result of the affirmative votes of Representatives Thomas and Plyler, H.B. 735 passed the North Carolina House of Representatives;

BE IT, THEREFORE, RESOLVED that the messengers of the Forty-Third Annual Session of the Cabarrus Baptist Association, do hereby express their strongest objection to and deepest displeasure with the action of Representatives Betty Thomas and Aaron Plyer in reversing their positions and votes on the critical issues of the introduction of liquor by the drink (LBD) in this State through H.B. 735.

REPORTS - Section Two

The Moderator stated that all reports not presented at the Annual Meeting would be included in the printed Annual as information.

The reports are as follows:

NORTH CAROLINA BAPTIST FOUNDATION

A survey in several counties representative of the cross-section of our state has provided interesting information regarding the seriousness, or lack of seriousness, to which stewardship of estates is considered. Court records and wills were carefully studied in these counties to determine the disposition of possessions for a specific time. Facts revealed were;

1. 30% of the decedants died without a written will.
2. Very little was provided for the church or any charitable cause through the wills that were probated (Six-tenths of one percent was given to all charitable causes and only 65 one-thousandths of one percent was left to all Baptist causes).
3. 45% of all assets were left either to husbands or wives, 37% of all assets were left to children by parents, and 27% was left to grandchildren or other persons.
4. Projected to a statewide basis for one year, two-thirds of one billion dollars is left in estates each year.
5. Based on resident Baptist population in the state, a tithe of the estates of Baptists that die each year would provide in excess of \$10,000,000 additional dollars annually to the support of Christian Missions and ministries carried on by our churches and denomination.

Baptists who believe in Bold Mission endeavors will:

1. prepare a will or have their will updated;
2. provide for their church pledges and commitments to be fulfilled through their will;
3. seriously consider a tithe of their estates to a Christian cause.

An excellent example to follow is that set by two members of one church in the mountain area of North Carolina. They have willed their possessions to the North Carolina Baptist Foundation as Trustee. Ten percent of each estate will go back to their church and 90% in trust will be paid annually to the Cooperative Program through their church - an

amount equal to the entire church contribution to the Cooperative Program in 1977. (And this was a substantial amount.) These two persons through their wills double the church gifts to missions.

During 1977-1978 fiscal year, the Foundation has received \$198,139 in additions to the trust funds being held. Twenty-seven new trusts were established.

The Baptist Foundation staff is available to assist any individual who wishes to have a will prepared or updated. Anyone using Foundation services and who designates through their will a bequest to any Baptist institution or Baptist mission cause can have their will prepared at no cost. Assistance in cost can also be provided for those who desire to have their wills prepared or reviewed by a local attorney.

BROTHERHOOD

The Associational Brotherhood Program consist of two major parts. The Baptist Men's organization (for men) and the Royal Ambassador organization (for boys).

Our men have met twice this year. The first meeting was held on January 22 at the Franklin Heights Baptist Church with around 200 men attending. This was our annual Baptist Men's Prayer Breakfast. The money which was received beyond expenses was channeled into our Associational RA Program which is continuing to grow.

Our second meeting was the Associational Leadership Training Workshop at the Brookdale Baptist Church last month where over 50 men attended to receive training in some phase of Brotherhood work.

During this year our Associational RA's have shown a gain in growth through boys and counselors. New RA Chapters have been reported in four churches and three churches have reorganized their chapters.

CHRISTIAN LIFE

During the past year there have been a number of encouraging developments on the moral scene: large numbers of Christians have become more highly sensitized to the increasing level of immorality which is beamed into their homes by television.

The Christian Life Commission has responded with all its might to moral challenges. Through conferences, literature, organizational activities, speeches, sermons, books, and the mass media the Commission has assisted Baptists working to bring God's righteousness to a sinful world.

The Christian Life Commission worked with several other agencies to lead Southern Baptists in the first observance of World Hunger Day on August 2. This fall a Conventionwide Convocation on Hunger is being sponsored by a group of Southern Baptist agencies chaired by the Christian Life Commission. This Convocation is intended to raise consciousness about hunger and suggest effective ways through which Christians can combat world hunger.

The Commission has continued to help God's changed people in their task of changing the world. A number of regional conferences have been conducted in 1978 to assist pastors and laypersons in applying the gospel to daily life. A specialized conference helped church leaders come to grips with their moral responsibility in the energy crisis.

The task is not complete. In this imperfect world, new moral challenges are constantly arising, yet Christians have a sense of genuine satisfaction in knowing that during the past year God's people have

been faithful as His salt and light in the world, a people truly on Bold Mission, doing the gospel of God in Christ.

In Cabarrus Association, many pastors and parents have been involved in a campaign against pornographic literature on the shelves of our school libraries. I am happy to report such literature was removed from Northwest Cabarrus and Central Cabarrus High School libraries.

My prayer is that more pastors, parents, and all Christians will be concerned about and be involved in our Christian Life during the coming church year.

Leon Smith

CHRISTIAN LITERATURE

Think about it for a minute. What if there were no Biblical Recorder? What means of communication would keep our Baptist people together in the state? What if we had to depend entirely on the secular news media?

These are questions that should not be taken lightly. Thanks to the wisdom and foresight of Baptist leaders back in 1833, The Biblical Recorder has been on the scene for 145 years serving North Carolina Baptists.

One of the most important jobs of the Biblical Recorder is to keep members of Baptist Churches informed about what's going on in our denomination, not only here in North Carolina but around the world. When people know, they respond more quickly and in a more cooperative and generous manner.

In that connection, there's one more question: Does the Recorder pay? Recently the Recorder published a list of 50 churches which had the best per-capita giving to the Cooperative Program. Forty nine of the 50 had a good Recorder club, many of them sending the Recorder to every resident family. The Biblical Recorder had a part in helping these congregations see the importance of supporting Baptist causes.

More than 1,100 churches provide their families with the Recorder through the church budget at a cost of only 6 ¢ a week. Everyone benefits when the Recorder goes into every home.

The price of the Recorder remains reasonable, despite tremendous increases in postage, paper and printing. If your church plans to put the Recorder in the budget, it should do so this year and thus save money because a price increase is likely.

With the dripping wet news media in North Carolina, our Baptist people must depend on the Recorder for information about such matters as liquor by the drink. This is only one reason for every church to have a good Recorder club or put it in the budget.

Woodrow W. Hill, assistant editor and field representative for the past seven years, reached retirement age this past year but has agreed to continue to help the Recorder in associations and churches. He is loved by people all over the state and we are glad that he will continue to be identified with the Recorder when needed for special assignments.

Jim Howard

CHURCH MUSIC

Believing God's word in Colossians 3:16, where it says "Christ's message in all its richness must live in your hearts. Teach and instruct one another with all wisdom. Sing psalms, hymns, and sacred songs; sing to God with thanksgiving in your hearts." (TEV), we have strived this year to do just what the scripture says.

We conducted an Associational Music Clinic for the four Monday nights in April with classes for Choir Members studying the fundamentals of music; Music Directors; Organists and Pianists; and Children's Choir Directors and Workers.

In the Fall, we conducted a similar type of instruction just for Music Directors, Organists and Pianists, and Children's Choir Directors. All who attended seemed to be helped by these classes.

A music representative was able to attend the Bold Mission Key Leadership meeting at Ridgecrest and a session for Music Directors was held in August presenting very challenging goals for the up-coming years in Bold Missions.

Eight different Adult Choirs were asked to assist in the Revival at the former Grace Baptist Church during the week of September 24 - October 1.

Six group leaders have been elected for the coming year to help with coordinating in the associational music work. We feel that if more people are made aware of the importance of training and leadership, we will have more response, and therefore more help for every church in our association.

Organizational plans are in the making for the Full-time Ministers of Music/Education group once a quarter for fellowship and time of sharing with the first meeting being November 9 at 1 p.m. at the Associational Office.

Plans are also being made to begin an Associational Brass Ensemble and Associational Men's Chorus in the near future.

There is yet so much to be done, but I thank all who have helped me this year. Thank you for allowing me to serve this year as your Associational Music Director.

CHURCH TRAINING

“IF IT IS TO BE IT IS UP TO ME” is the battle cry of BOLD MISSIONS. The Biblical concept of “every member a minister” has been aroused as our denomination has pledged to preach the Gospel to the whole world by the year 2000. This cannot happen, will not happen without a trained army of dedicated Christians.

Church Training is the only organization in the church designed to meet the challenge of training these workers. My desire is to see every church in our association committed to the training of its members. It does not have to happen at 6 p.m. on Sunday evening, but it must happen sometime in order for Bold Missions to happen.

We are pleased at the progress we are making. This past year we had Children’s Bible Drills for the first time in years. Five young ladies participated and all five were State winners. They were Angela Day and Melanie Childers from McGill Avenue Baptist Church and Sandy Drye, Tonya Godfrey, and Donna Kaye Hall from Pitts Baptist Church. Next year we hope to have many more participating.

The Youth Bible Drills and Youth Speaker’s tournaments have been reactivated and the materials are available through the Church Training office or the Associational Office.

“M” Night continues to grow in numbers and interest. We pledge to continue the innovative and informative programming that might help you get started in Church Training. Our “Youth Night” has also been a high point in our church year with over 200 young people attending.

Simply stated: Church Training can help your Sunday School, missions organizations, visitation, and all other areas of church life function better. Help start or re-start Church Training in your church.

Ed Hall

FOREIGN MISSIONS

The sending out and maintaining of missionaries is primary in Southern Baptist overseas missions through the channel of the Foreign Mission Board. The appointment of 279 missionaries during 1977 exceeded the record of all previous years.

Programs of work of the Foreign Mission Board are (1) evangelism and church development, (2) schools and student work, (3) publication work, (4) hospitals and medical care, and (5) benevolent ministries. Statistics based on the 1977 report reflect:

Support for Foreign Missionaries—	
Missionary Staff	2,776
Foreign mission gifts	\$57,918,817
Evangelism and Church Development—	
Churches (foreign)	8,533
Membership	1,071,922
Baptisms	98,715
Schools and Student Work—	
Schools	507
Students	92,949
Publication Work — Publication centers	21
Hospitals and Medical Care—	
Hospitals, clinics, dispensaries	115
Benevolent Ministries—	
Children's homes	19
Community centers	68

The response to the Bold Mission Thrust was the Mission Service Corps and volunteers in mission programs. A total of 2,413 people in addition to the missionary staff went overseas in 1977 for periods of auxiliary service ranging from two weeks to one year.

Increase in missionary personnel automatically means the assumption by the Foreign Mission Board of responsibility for support for the new missionaries. Southern Baptist, committed to the task of making Christ known to all the world during the remainder of this century, must continue to provide the support for this vast outreach through the Cooperative Program and the Lottie Moon Christmas Offering. Much prayer and missionary education in the local churches must be emphasized for us to respond to Christ's calling.

Respectfully submitted,
Mrs. Donald B. Beaver

HOME MISSIONS

Home Missions continues to be a very important part of the work of Southern Baptist. The role of the home missionary is of major importance in crossing cultural, religious, social, economic and geographical barriers all around us.

Having 2,839 missionaries under appointment with an increase of 338 over 1977. The Home Mission Board is now deeply involved in developing procedures and recruiting for Mission Service Corps whose goal is to enlist 5,000 volunteers to serve for one of two years, either in the United States or abroad in an effort to reach objectives of Bold Mission Thrust by 1982.

During 1977 financial support of the work of Home Mission Board was outstanding. The Cooperative Program gifts increased 15%, Annie Armstrong Easter offering for Home Missions increased 11.58%. The Home Mission Board received \$9.4 million in basic Cooperative Program allocation, plus \$431,507 from the challenge section. The Annie Armstrong Easter offering provided \$10,745,968.

The Home Mission Board, in cooperation with the Southern Baptist Convention, is challenging all Southern Baptists to plan for every person in our land to have an opportunity to hear and accept the gospel of Jesus Christ. It also provides every person an opportunity to share in the witness and ministry of a New Testament fellowship of believers.

MUTUAL CARE COMMITTEE

(Formerly Ordination Advisory Committee)

The Ordination Advisory Council, composed of both ministers and laymen, met several times during the year to discuss procedures and to interview candidates for ordination. The candidates were questioned on a number of topics, including his family, education, concept of ministry sources of strength, both spiritual and physical, hobbies, his feelings about the attitude toward the association, North Carolina Baptist State Convention, Southern Baptist Convention, and the Cooperative Program, visiting-counseling, finances, and Baptist doctrines.

Those who were questioned and approved for ordination during this associational year are:

Mr. Eugene Edwards	Corriher Heights Baptist Church, Landis
Mr. Mike Hinson	First Baptist Church, Enochville
Mr. Durard Murphy	Blackwelder Park Baptist Church, Kannapolis
Mr. John Barnhardt	Jackson Park Baptist Church, Kannapolis
Mr. Wayne Hamilton	First Baptist Church, Harrisburg
Mr. Gary Chapman	Sharon Baptist Church, Concord
Mr. George Spencer	First Baptist Church, Concord

Mr. Archie Barringer

Glorietta Baptist Church, Concord

Mr. Eddie Mullins

Memorial Baptist Church, Kannapolis

The council is working to overcome two problems we have observed during this year. One is that we have little or no knowledge and/or information about the candidates to be questioned. We are seeking to strengthen the work of our council by having the candidates for ordination to complete a background sketch that will enable us to know something about the man before we question him.

The other problem we have encountered is that the home church and the church the man is going to serve have not always been clear and exact in the details of their call nor the role of the Ordination Advisory Council with regard to the Ordination. On more than one occasion we talked to a man who had some vague responses as to the church's expectation and compensation. We spent many long hours trying to assure both that the candidates were called of God and that their attitude toward the ministry would allow them and the church that is served to grow. On more than one occasion we were asked to interview a candidate after the ordination had already been set. We know that our role is that of an advisory body. However, if the churches want us to be a thorough group to help them exercise discretion in whether or not to ordain a man, we need a minimum of three to four weeks and interview the candidate prior to the arranging of the date for ordination. We do respond to the home church immediately following our questioning.

We have requested of the finance committee that money be budgeted for the next associational year to allow us to present some key books to the men being ordained. We are in the process of working up a list of books we feel we ministers should study, a list that both his home church and the new church might make use of, as well as a list the minister himself can work with. Just as we are budgeting through the association for this vital aspect of a new minister's growth, so we feel each church would strengthen their total ministry by having a budget item for the minister to acquire books for his personal library.

We have enjoyed fulfilling the tasks entrusted to us by the association. We hope that our efforts have strengthened both the concept of the ministry and the lives of those who have been ordained to the Gospel Ministry.

PUBLIC AFFAIRS

In this permissive age in which we live, we as Christians in the Baptist faith must re-dedicate ourselves to the task that faces us in this important area of public affairs.

We have been challenged and in some cases pressured by politically inspired interests concerning our rights as Christian citizens.

The bartering of human rights in exchange for political favors during our recent General Assembly should encourage us to prayerfully select and vote for those that refuse to sell their votes for a "mess of pottage."

Liquor by the drink, taxation and control of our Christian schools, court room favors extended to our criminal element, decay of our mental and training institutions, and many other injustices face us in the years ahead.

Let us gird ourselves and put on the "whole armor of God" as we refuse to bend our minds and knees to the evil forces of this day.

Congratulations to Gardner-Webb College in their refusal to accept federal funds.

T. Brice Beam

COMMITTEE ON SEMINARY EXTENSION

The Committee on Seminary Extension has continued to be active this past year with courses offered in the fall of 1977 and the spring of 1978. The classes met at the Associational Office Building on Spring Street on Monday nights.

As we begin this year - 1978, we are offering three courses in the college-level curriculum series: (1)Introduction to the New Testament, Part I; (2)How to Understand the Bible; and (3)Romans.

In the spring of 1979, your committee suggest the following courses: (1)Introduction to the New Testament, Part 2; (2)Job; and (3)Luke.

Churches are asked to make this known to our people and to encourage involvement in the courses.

STATE MISSIONS

"Entering the Door to Bold Missions" was the theme of this year's State Missions offering for North Carolina Baptists. A challenge was given and response was received by the many State Missions interpreters throughout our churches.

A great deal of preparation was made prior to the September 17, 1978 State Missions Offering Sunday. During the 1977 Baptist State Convention in Charlotte, a challenge was made to continue the Bold Mission Thrust initiated in 1976. In May, a Key Associational Leadership Conference was held at Ridgecrest. Emphasis was put on communication to the local churches through cooperation and enthusiasm of the association.

During June and July, several area conferences were conducted by State Baptist personnel to offer training for the interpreters. wwell-prepared visual aids were presented for their use. Each local association held its training conferences in August for those unable to attend the area conferences.

Then came the exciting time for the interpreters to speak in each church to tell the story of State Missions. The congregations were very receptive to the message, which emphasized the importance of debt retirement and all the programs supported by this special offering.

As of October 1, 1978, Cabarrus Baptist gave \$12,042.05. Baptists throughout North Carolina have given \$500,000.00 for the 1978 State Missions Offering.

Respectfully submitted,
Mike Steiner

STEWARDSHIP

This is one of the most exciting times of all history to be alive—especially if you are a Christian and a Southern Baptist. Ever since Jesus was on earth we have had the Great Commission to "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit; Teaching them to observe all things whatsoever I have commanded you, and lo I am with you alway, even unto the end of the world." (Matthew 28:19-20). For the first time every Southern Baptist have set themselves a deadline to carry out this commission.

Our emphasis on Bold Mission Thrust calls for Southern Baptists to perceive and accept our mission in enabling every person in the world to hear and respond to the gospel of Jesus Christ with every person in the world by the year 2000. Providing resources to meet this exciting challenge will require boldness in prayer and sacrificial giving on the

part of every Southern Baptist. We must give our best as we minister through our church, through the association, and through the Cooperative Program in bold support of missions at home and around the world.

Commitment to Bold Mission Thrust calls for specific action on our part as individuals and churches. Every church is challenged to increase, on an annual basis, the percentage of its total budget income given through the Cooperative Program and through the mission budget of the association. Let every church in our association demonstrate its commitment to the world mission task through serving and giving.

Respectfully submitted,
Jim Gillespie

Constitution

*Indicates new or changed section

Preamble

We, the members of Baptist churches in Cabarrus County and adjacent territories in Mecklenburg, Stanly, and Rowan Counties, State of North Carolina, do hereby propose to establish and maintain the order and rules of an Association in conformity to the following plan:

ARTICLE I - NAME

The name of this body is the Cabarrus Baptist Association.

ARTICLE II - PURPOSE

The object of this Association shall be to devise and recommend measures for increasing the intelligence and spiritual power of the churches, and for developing and directing their agencies, their resources and gifts in advancing the Redeemer's Kingdom throughout the whole world.

The means of accomplishing this shall be in strict conformity with the teaching of the New Testament.

ARTICLE III - MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which continue Baptist faith and practice, and that cooperate with the Association, and that support the Association and the agencies of the state and Southern Baptist Convention.

Section 2. The Association shall be sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Con-

stitution and By-Laws. Affiliated churches may also withdraw as they desire. For a body to be considered for membership in the Association, it must:

(1) Be a church applying from a sister Association, coming in good standing, or:

(2) A mission established by a current member church, or:

(3) A body guided from its beginning by a cooperating relationship with the Missions Committee of the Association, or:

(4) An established church desiring affiliation, giving satisfactory evidence of their belief in Southern Baptist faith and practice.

Section 3. Churches desiring to affiliate with this body shall apply and shall submit a written request to the Committee on Mutual Care at least sixty days before the Annual Meeting of the Association. If recommended unanimously by this committee and accepted by a majority vote of the Association, the church shall agree to come under the watchcare of the Association for a sufficient time to satisfy the Association of its intent to continue, through practice and attitude, a cooperating Baptist Church. Upon the recommendation of the Committee on Mutual Care acceptance with the fellowship of the Association shall be confirmed by vote of the Association. During this period, members of such churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. The Association shall not maintain fellowship with any church that departs from Southern Baptist faith and practice and fails to maintain a spirit of cooperation with the Association. Any church failing to report the annual letter to the Association, or failing to be represented at the Annual Meeting, or failing to support, worthy, Associational and Denominational Missions, for two consecutive years, shall be notified by a special committee of the Executive Board that if their failure is not remedied by the next Annual Meeting, recommendation shall be made to remove said church from membership in the Association by two thirds majority vote of messengers present and voting.

ARTICLE IV - MEETINGS

Section 1. The Annual Meeting of the Association shall convene on Monday and Tuesday following the fourth Sunday in October.

Section 2. Special meetings may be called by the Moderator, provided two weeks notice is given to all affiliated churches.

Section 3. Churches of fifty members or less shall be entitled to three messengers. One additional messenger shall be allowed for each additional fifty members or major fraction thereof, provided no church shall be entitled to more than ten messengers. These shall constitute the voting body of the Association. The names of messengers

printed in the Annual shall only include these attending and registering at the sessions of the Association.

ARTICLE V - AUTHORITY

It is understood that each church affiliated with this Association is independent and sovereign in its own affairs, and the Association has no authority over the churches, except of an advisory nature.

ARTICLE VI - OFFICERS AND THEIR ELECTION

Section 1. The officers of the Association shall be the Moderator, Vice-Moderator, Clerk, Treasurer, Sunday School Director, Church Training Director, Woman's Missionary Union Director, Brotherhood Director, Music Director, Auditor and Parliamentarian.

Section 2. The officers shall be elected on the last day of the Annual Meeting for a term of one year. The nominees shall be contacted and nominated by the Committee on Nominations (By-Law IV, Section 6). Committee nominations shall not preclude nominations from the floor. No person in the full-time employ of the Association may be elected to any office listed in Section 1 of this Article.

Section 3. All officers shall complete their work as soon as practicable after the closing of the session. The newly elected officers shall assume, at the close of the session, all duties incumbent upon said officers relating to the work of the ensuing Associational year. Officers shall carry out the responsibilities of their offices at all times as instructed by the Constitution, the Association and/or the Executive Board.

Section 4. The Moderator shall be elected annually and shall not be eligible to succeed himself after serving two successive terms of office.

Section 5. Departments:

a. The Association shall promote a program of teaching, training, missions, and stewardship emphasis through the following departments: The Sunday School Department, the Church Training Department, the Woman's Missionary Union Department, the Brotherhood Department, the Music Department, and such other Departments as may be added by the Association or the Executive Board.

b. Each Department shall nominate in cooperation with the Committee on Nominations of the Association its chief officers for approval by the Executive Board at its third quarterly meeting. Other departmental leaders shall be nominated in the same manner not later than September 1. Those nominated shall serve along with the incumbent workers until election at the Annual Meeting. In event of vacancies occurring during the year, said vacancies shall be filled temporarily by the departments for the remainder of the Associational year.

ARTICLE VII - TRUSTEES AND THEIR ELECTION

There shall be three (3) Trustees of the Association, one preferably an attorney, serving terms of three years each. The Trustees shall be nominated by the Committee on Nominations and may succeed themselves. One Trustee shall be elected at the Annual Meeting each year. The expiration date of each Trustee's term of office shall appear by his name in the Associational Annual.

ARTICLE VIII - EXECUTIVE BOARD

The Executive Board shall be composed of all Associational officers, heads of departments, (Article VI, 5a), the Director of Missions, (ex-officio), each active pastor, and two lay-members chosen by each church from its membership and certified to the Association in its annual report, and chairmen of all Standing Committees to the Association. The Executive Board shall have the authority to act for the Association between sessions, except as limited by the Constitution. It shall be the duty of this Board to meet quarterly, and make reports and recommendations to the Association at its Annual Meeting. Emergency meetings may be held on call by the Moderator.

ARTICLE IX - THE ASSOCIATIONAL COUNCIL

The Associational Council shall be composed of the officers of the Association as listed in Article VI, Section 1 of this Constitution. Time and frequency of meetings may be set by the Council itself, or it may meet upon the call of the Moderator or Director of Missions. The Council shall seek to coordinate the activities of the Association, and foster fellowship and cooperation on the part of the churches, bringing all recommendations concerning such matters to the Executive Board or the Association.

ARTICLE X - COMMITTEES

Section 1. The Association shall have the following Standing Committees, with their terms of office being from the close of the Annual Meeting through the following Annual Meeting. Members of all Standing Committees shall serve for a term of three years, with one-third of the membership chosen each year. No committee member shall be eligible to serve on the same committee until after the lapse of the year following the expiration of his term of service. Names of all committee members shall be printed in the Annual together with their terms of office.

REPORTS - Section One

(Those presented at Annual Meeting)

Mutual Care

The Committee on Mutual Care (formerly known as the Petitionary Letters Committee) has a three-fold responsibility in our Association. The work includes: (1) Reviewing applications for membership, and making recommendations; (2) Fostering fellowship, communication, and cooperation among the churches; and (3) Being available to member churches for counsel in times of fellowship problems.

The committee, this year, has been in a state of transition due to the moving of several members and the naming of replacements along with a new chairman. Some work has been done which we trust was beneficial.

The chairman met with one pastor for counsel. Shortly thereafter, the chairman met with the same pastor and deacons for a time of sharing and reflection. It was then felt that a full committee meeting was unnecessary. This was during the time of the Associational year that our committee vacancies were being filled.

The Unity Baptist Church of Rockwell has been under the watchcare of the Association for one year. Our committee recommends that this congregation be received into the full fellowship of the Cabarrus Baptist Association.

This committee's greatest asset is that of availability. Should the committee members be needed at any time, we stand ready to listen in a spirit of confidence and Christian compassion. We are willing to be used for the glory of God and the good of the churches in Cabarrus Baptist Association.

Respectfully submitted,
Kenneth Altom, Chairman

Sunday School

The Cabarrus Baptist Associational Sunday School has had a tremendous year during 1978-79. We have had some great meetings, however, the success of these meetings are determined by the results that come later.

On March 26 the Associational Sunday School Leadership Conference was held at Brookdale Baptist Church. Dr. Andy Anderson lead that conference and presented the fundamentals of the Growth Spiral. This is the most exciting concept of church growth in years. Andy stated that this was the best attended conference by any Association, there were over 200 in attendance.

The Vacation Bible School Clinic was held in March at Camp Caraway. The Associational Clinic was April 3 at Shadybrook Baptist Church. We had a very able staff in which I thank them for a super job.

The Sunday School Council did attend various meetings this past year. One of which was the First Baptist Church, Greensboro on July 20.

The Pastor-Director-Staff Member Workshop was equally successful last year. Bill Byrd of the State Convention office was the speaker presenting ideas and materials to aid us in Sunday School growth and development.

There are many people I would like to thank for a successful year in the Sunday School area. All of them worked together for the glory of our Lord. I would like to mention the basic team of leaders: Dr. Duard Murphy, Adult Director; Rick Ray, Youth Director; Jim Yow, Children's Director; and June Synder, Preschool Director.

I trust that you have been motivated this year to put new life in your Sunday School. The year 1979-80 will be the best yet. Jesus saves the best until now. Now is the time for your Sunday School to move forward for the Lord.

Respectfully submitted,
Bub Parrish

Church Training

Great strides have been made in Church Training!!! In fact, Church Training has shown the most significant gain of any church organization. Our Association is no exception. During this past year, at least six (6) new Church Training groups have been started. We believe this will result in more baptisms, more disciples, and more harmony among our fellowships.

Some significant changes have encouraged people to involve themselves in training. Perhaps the most notable is the introduction of the "Equipping Centers." These modules enable individuals or groups to engage in training at times other than the traditional "Sunday Evening at 6 p.m." time frame. Each module is self-contained and enables people to study a wide variety of subjects at their own pace. Probably the only drawback is that we do not often enroll those who are studying these subjects in Church Training. Remember---If anyone is engaged in any training of any sort at any time---they should be enrolled in Church Training.

Another new item is the "Survival Kit for New Christians." This inexpensive kit will enable a new Christian to immediately be involved in daily Bible study. But, again, please enroll them in Church Training.

Bible Drills again this year were ably represented by enthusiastic youngsters. Our only desire is to see more involved in the Children's Drills and to have our youth represented in the Youth Drills. I believe we are on the right track. This next year should be one of the most exciting ever for Church Training in the Cabarrus Baptist Association.

Respectfully submitted,
Ed Hall

Brotherhood

The Brotherhood program of our Association has gotten stronger each year and this year is no exception. Our Baptist men began the year strongly with our annual Associational Baptist Men's Breakfast at the Parkwood Baptist Church with over 150 men attending. Our program was great because we used men and boys from our own Association sharing their mission action experiences in home and foreign missions. These were Luke Walters who had been involved in the preaching mission to Oregon and Gary Troutman who went to Mexico with RA's from the state of North Carolina on a work mission.

The RA's of the Association are very active under the planning and supervision of an RA Committee. This committee is composed of the following: Frank Hopkins and Larry Belk, Co-chairmen; Margene Troutman, Secretary; Keith Troutman; Fred Sheffield; John Foulks; Bob Reynolds; James Zink; Dianne White; Ted Privette; Jimmy Coone; and Mike Duncan.

During this year, several churches have called for help to strengthen their program and training of leadership. In all of our RA activities, there have been a gain of churches and boys interest.

Activities for this year have been: Interest Activities: (1) Crusader Derby Car Race - seven churches participated, 35 boys attended (a gain of four churches over last year). (2) Sports - Basketball - nine churches participated (a gain of four churches over last year), All sports banquet was held. First, Kannapolis Pioneers hold the state winner title. Track - nine churches participated. McGill Avenue took the Associational trophy. Meeting Activities: (1) Crusader Round-Up - six churches participated (an increase of two churches); 55 in attendance (an increase of 18). West Point and Lane Street won the attendance banners. (2) Pioneer Fall Festival - 40 Pioneers and counselors present. Seven Pioneers on the program. Mission Activities: (1) State Mission Bike-A-Thon - eight churches participated (gain of three). 40 boys and 29 adults (we doubled this over last year). Money collected, \$1,798.22 (gain of \$798.22 over last year). (2) Crusader Day Camp - eight churches participated, 32 boys, 13 adults and seven Pioneer RA helpers. (3) Two Pioneer RA's went to Mexico for eight days. They were Gary Troutman and Chip Ritchie from McGill Avenue. Study Activities: (1) RA Leadership Training. Twelve churches participated with a gain of two churches over last year.

The RA Committee agreed to continue giving one (1) Gideon placed Memorial Bible to each RA member or counselor in our Association who died this year. It is with great respect and humble hearts one Bible has been placed in memory of Bobby Trull of First, Kannapolis.

As our year was drawing to a close, we had almost 75 men to attend our Associational Leadership Training Conference at McGill Avenue Baptist Church on September 17.

Finally, a special recognition to two Baptist men from our Association who spent two weeks of their vacation this year in Guadeloupe helping to build a missionaries' residence on that island. Mr. Doyle McManus, along with Mr. Ben Stegall went to Guadeloupe in June of this year as a part of a work team put together by the North Carolina Baptist Men's Missions Committee. Going along with the men were Libby and Diane Stegall, wife and daughter of Ben Stegall. They are all members of the United Love Baptist Church.

Respectfully submitted,
Norman Snodderly

Evangelism

During the church year of 1978-79, we have continued the Bold Mission effort in Evangelism.

The Cabarrus Baptist Association has been encouraged to do even greater things in an evangelistic effort. We have had the Sunday School Spiral Effort in many of our churches that have stimulated the evangelistic effort in Christ's name.

In February we lost our Associational Director of Missions to the North Carolina Baptist State Convention, and somewhat slowed our efforts in Evangelism. Now God has blessed us with Dr. Russell Willis to be with us, and we find our Association thriving again in Evangelism.

We had prepared for Dr. William C. Lamb to come and teach a one-night seminar on Evangelism in The Church Through Youth and Adults, but because of sickness

he was unable to fulfill his appointment with us. Now we have had him as he was re-scheduled for October 18.

During the fall, in September, we were blessed with the stimulous efforts of Kenneth Riding and Dr. Vance Havner. They blessed our hearts and churches as they came to our Association with a two-night Evangelism Conference in which several of our churches participated. God was there in a real way. Thank God for men like these men who have given God every area of our lives.

Then, we have had many, many very successful revivals in our Association during the past year.

One of the highlights of the year: We remember last year after our Associational meetings, 15 pastors and 15 laymen had an opportunity to go to Oregon to preach a 10 day revival in different areas in that beautiful state. God blessed us in many, many ways. Eighty-eight decisions were made. Fifty-four professions of faith, and 34 other decisions. This effort not only strengthened those churches, but even today we find an evangelistic spirit in our churches from those days in Oregon.

Pray that every church in Cabarrus Baptist Association will benefit from Evangelism this year, and that we can be "TOGETHER" in sharing Jesus with our families, communities, Association, state, convention and the world!

"THAT CHRIST MUST NEEDS HAVE SUFFERED, AND RISEN AGAIN FROM THE DEAD; AND THAT THIS JESUS, WHOM I PREACH UNTO YOU, IS CHRIST!" (Acts 17:3)

Forward we go with Jesus.

Committee on Associational Office Building

This committee, in it's first year of existence, has gained insight to the problems and work involved in maintaining the office building. Minor repairs have been done as need has arisen. Special needs have been noted and were discussed at our meeting in September. From this meeting, we as a committee recommend the following:

1. That approval be granted to receive bids for repainting the exterior of the building.
2. That approval be granted to secure a new sign to replace the present one located at the front of the building.
3. That approval be granted to remove approximately 35 feet of the sidewalk which adjoins the rear of the office building. This section of the walk has become tilted in toward the building, causing water to run under the building. Removal of this walk would eliminate this problem.

In Memoriam

Whereas, death has removed from us our beloved in Christ,

Therefore, be it resolved:

That another year has passed only too quickly! Yet God is still among us, showing His great redemptive power, saving all who will believe in His Son Jesus Christ. He is also calling home whom He will and passing by others whose time has not yet come.

We do not understand the mysterious ways of God in His dealing with His own. However, we accept the fact that God, in His foreknowledge of all things, is, in these last days, calling out a people for His Namesake.

Since last year many of our Christian friends and relatives have departed this life, having entered into their Heavenly abode there to rest in the presence of our blessed Saviour forever. Paul in writing to the Corinthians says, "We are confident, I say and willing rather to be absent from the body, and to be present with the Lord." 2 Corinthians 5:8.

We do not weep as those who have no hope, but rather rejoice, knowing that our loved ones are now in the presence of a loving heavenly Father.

Let us who remain keep working, praying and trusting Him who said, "I go to prepare a place for you, and if I go away I will come again and receive you unto Myself, that where I am, there you may be also." John 14:3. What a blessed thought!

What would it be to step on shore, and find it-----Heaven;
To take hold of a hand, and find it-----God's hand;
To breathe a new air and find it-----Celestial air;
To feel invigorated, and find it-----Immortality;
To rise up from the turmoil and care of earth
Into one unbroken calm;
To wake up and find it-----Glory.

Baptist Children's Homes

Children in the care of the Baptist Children's Homes are like children anywhere you find them. Many of them are finding it possible to become a part of a reestablished family because the important relatives in their lives are served by the Children's Homes while the child is in care.

There is a continuing need in our society for existing programs of service. Flexibility and change are the order of the day for the Baptist Children's Homes as the family confronts societal pressures. This is a real challenge.

North Carolina families have ready access to a variety of services offered by the Baptist Children's Homes. There is a Family Services Center, located in the Mecklenburg Baptist Associational building at 209 South Kings Drive. A call to that office should put families in touch with information and help when they need counseling, emergency care, maternity home services, or placement of children for longer terms of care. This office is also able to work with denominational leaders in the area in planning programs in family education, assistance in day care and early education in churches.

Every effort is being made to be a part of the Bold Missions program of advance fostered by the Baptist State Convention in cooperation with the local church.

A major portion of the 1978-79 operating budget of the homes comes from the local church through the Cooperative Program and special gifts. We are prayerfully concerned, and optimistic, that sufficient funds will continue to come to provide needed services to families and children.

Pastors, other church leaders, and Associational leaders are asking for help in ministering to families. Services of the homes are being localized as rapidly as possible in order to join hands with these concerned people.

North Carolina Baptist Hospital

Although growth in bed capacity at Baptist Hospital has leveled off at just under 700 beds, there is continuing expansion of the hospital's services. This expansion results from new discoveries and is in response to the health care needs of people.

During the past year, a 38-bed rehabilitation unit has opened to offer short-term services and family instruction to the disabled.

A new six-bed burn unit, permitting isolation of burn patients is scheduled to open soon.

An automatic clinical analyzer has been acquired and put into operation. It uses computer technology and can perform more than 200 tests, such as analyzing blood serum and body fluids and providing results in less than eight minutes.

Another new ministry is a program of home visitation for children with cancer and their families. A team consisting of physicians, nurses, a psychologist and chaplains ministers to families during this critical period.

Our chaplains lead worship services in Davis Chapel, which are relayed to all patient rooms by closed-circuit television. They also provide a pastoral ministry to patients, their families and to staff members and provide personal counseling.

Baptist Hospital has actively participated in the Voluntary Effort to keep hospital costs as low as possible. Our patients benefit in that the hospital's room rate increase this year is only 5%, as compared to an annual increase of 6% in recent years.

In recent months, the hospital's oldest building has been torn down and a new six-story Focus Building is now rising on this site.

The hospital looks forward to receiving its share of the North Carolina Missions Offering, as gifts from the churches in the fiscal year ending June 30 were \$196,516, as compared to \$388,122 in the preceding fiscal year.

John Haas

Baptist Homes for Aging

The year 1978-1979 has been a year for which the Baptists of North Carolina can give praise and thanks to God for all the achievements for the Baptist Homes for the Aging. The Western North Carolina Baptist Home in Asheville has been completed, dedicated and occupied. The new apartment complex in Winston-Salem has been completed and filled. The six Baptist Homes for the Aging can now serve 300 persons.

Resthaven, The Hayes Home, Apartments, The Skilled Nursing Unit, in Winston-Salem; the Albemarle Home in Albemarle; the Hamilton Home in Hamilton; the Yanceyville Home in Yanceyville; and the Western North Carolina Baptist Home in Asheville, are the locations of the Baptist Homes for Aging in North Carolina.

With the elimination of the special offering usually taken the third Sunday of February, the funds for the Homes for the Aging which will come from the North Carolina State Missions Offering is crucial to the support of our homes. Through the State Missions Offering and the continued support of Baptists through the Cooperative Program, which supplies about 8% of the total budget of the Homes for the Aging, the ministry to the North Carolina Baptist aging can continue.

Two new administrative staff members, Mr. Jack Hoyle, Director of Admissions and Social Services, and Rev. Jim Saul, Director of Denominational Relations and Development, have been added during this past year. The ministry of the homes has been greatly enhanced and enriched by the coming of these men in their respective fields of service.

The ministry of the Homes for the Aging is a vital part of the total Baptist program, one that all of North Carolina Baptists must support through prayers and gifts. Our elderly need our continued care, love, and prayers.

Phil Hudson

Christian Higher Education

When North Carolina Baptists call the college-university roll, there are seven reasons to be grateful and proud: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. These are seven of 53 colleges and universities supported and nurtured by state conventions within the Southern Baptist Convention.

According to the latest figures printed by the Education Commission, SBC, of the 134,000 students attending the 53 Baptist colleges in the Convention, almost 20,000 are enrolled in our North Carolina schools. Thus, 15% of all Baptist college enrollments are located in this state.

The 1978-79 year witnessed change and progress. Enrollments were stable; budgets were balanced; Wingate College made history by graduating the first senior class; Campbell, once known as a senior college, announced a name change to Campbell University; the Campbell Law School graduated its first class; and churches all across the state answered the Council's request for names and addresses of prospective college students.

All North Carolina Baptists are now aware of the current discussions between Wake Forest and the Council Committee to study the Wake Forest University Proposal. Many hours of study and work have been given by that committee, and this work will continue at least until the Convention meets in Winston-Salem on November 13-14, 1979. The Council will make its recommendation to the General Board, and the General Board will report and recommend to the Convention.

The Council on Christian Higher Education joins in encouraging the churches to elect responsible and informed messengers to the Convention. Decisions made will affect the life and work of the Convention and Wake Forest for many years to come.

We thank you for supporting the colleges. We call upon the churches to pray for all of our Baptist work, including the colleges.

Respectfully submitted,
Claude Connell

Committee on Missions

The Committee on Missions meets once each month plus any time a called meeting is necessary.

During the 1978-79 Associational year, this committee gave leadership to the ministry at the Mt. Pleasant Prison Unit. This committee also worked closely, offering guidance to the New Hope Church.

Assistance was given several churches in receiving Pastoral Aid.

The Committee on Missions served faithfully in helping two boat families to settle in our area, giving assistance to these families with the necessities of life such as housing, food and clothing.

On June 18, 1979, the Committee on Missions presented Dr. Russell L. Willis to the Executive Board as Director of Missions for the Cabarrus Association. A reception was given on August 19, 1979, for Dr. and Mrs. Willis and their son Bryon, welcoming them into the Cabarrus Baptist Association.

REPORTS - Section Two

(Those not presented at Annual Meeting)

American Bible Society

The American Bible Society distributed over 500 million Scriptures in 1978. Total Scripture distribution throughout 1978 by all of the Societies cooperating with the United Bible Societies reached 503,125,210 Bibles. New Testaments, Portions and Sections--23% over the previous year.

Once again distribution of Scriptures throughout the United States was larger than in any other nation of the world. The 127,414,817 Bibles, Testaments, Portions and Selections distributed throughout the United States during 1978 represented slightly more than one-quarter of the entire world distribution.

A significant portion of the distribution reported above was to people who have previously denied access to the Scriptures simply because they were unable to read. More than 19 million New Reader Scriptures were shared in Indonesia, Peru, Brazil, Ghana and Malawi. The New Reader program helps the new reader attain the literacy level he needs in order to easily comprehend a complete New Testament in his own language. It is essential that they be provided with translations in the language they commonly speak today. As of December 31, 1978 at least one complete book of the Bible had been published in 1,659 languages. The written Word is now available in the languages spoken by 98% of the world's population. The complete Bible has now been published in more than 266 languages and the New Testament in more than 420 languages--the greatest accomplishment in inter-languages communication the world has known.

During 1978 more than 33,400 American Bible Society Volunteers shared Scriptures with people in churches, hospitals, nursing homes, business establishments, prisons, etc. They operated more than 2,640 Scriptures Courtesy Centers throughout the 50 states of the Union.

Gifts from the Southern Baptist Convention totaled \$309,204.

The ABS requests the continued prayers and financial support of the Southern Baptist Convention. Working together we can bring the message of hope found in the Scriptures, to those who need it so desperately.

North Carolina Baptist Foundation

"Moreover it is required in stewards, that a man be found faithful.

I Corinthians 4:2"

Since January 1, 1979, the Foundation staff with the assistance from Rev. James B. McQuere, retired Director of Missions of the South Fork Baptist Association, an intensive effort has been made through conferences over the state to familiarize as many pastors as possible of the helpful services provided by the Baptist State Convention through the North Carolina Baptist Foundation. The Foundation is available to

assist individual Baptists with their estate planning, regardless of the size of the estate. Many of the most significant and meaningful gifts to support the Christian ministries through the denomination have been directed through the Foundation as trustee. These services are available from the trained staff and their professional support (accounting and legal services) employed for this purpose without cost to individual participants. Where an individual desires to be a part of sharing the gospel beyond his or her lifetime, the establishment of a trust with the Foundation provides a tangible participation in such activities.

The Foundation has been actively engaged in assisting individuals in not only having their Wills redrafted, but also in the preparation and establishment of annuity trusts. Through such a trust, an individual or couple can place in trust assets (such as property, cash or securities) and receive income for the remainder of their lives. After death, the income from the trust will be paid to the donor's choice(s) of Baptist missions work and/or institution. This method of giving provides the satisfying knowledge of being a faithful steward in utilizing resources more completely for the Lord's ministries, as well as, taking advantage of the laws of our land in reducing taxation as resources - both income and estates.

A personal and private appointment with a Foundation staff member can be arranged either through your pastor, Association Director of Missions or by writing or calling the Foundation office. The address is: P.O. Box 26508, Raleigh, North Carolina 27611.

Christian Life

Christian Life Commission has been involved in many liquor-by-the-drink votes this year. Although we have not won in every vote the fights must go on. Literature has been placed in the hands of people. They have been educated to the evils and the affect of it.

The battle against pornographic literature has pushed forward. The task is not complete, and will not be complete in this imperfect world.

If God tarries another year he will give us new opportunities to share in his work. I believe Jesus would have us understand the way to stop a man from drinking or distributing pornographic literature is to introduce him to Jesus and permit the Holy Spirit to remove the sin from his life.

I believe the time is here for you and I, as ministers of the gospel to take our stand against the evils in our cities. I hope you will join me in the coming year in having a greater concern for the lost.

Leon Smith

Foreign Missions

Southern Baptists, committed to the Bold Mission Thrust objective of making Christ known to all the world before the year 2000, works through the Foreign Mission Board for the appointing and maintaining of our missionaries.

The 181 missionary appointments during 1978 makes a total of 2,906 missionaries. The Bold Mission Thrust objective continues to be to increase the missionary staff to more than 5,000 by the year 2000.

Baptist churches abroad that are cooperatively related to Southern Baptist work grew from 8,533 to 10,449 during 1978. Membership reached 1,214,699 while baptisms totaled 94,543. The Bold Mission Thrust in church growth has the objective of a tenfold increase in the number of churches.

Mission Service Corps became an actuality in 1978 when 31 persons received overseas assignments. 2,886 persons took part in volunteer involvement projects thereby helping to reach the Bold Missions goal for increased lay involvement.

\$1,748,000 was given during 1978 for world hunger and disaster relief in 31 countries. The Bold Missions objective here for relief ministries are for accentuated attention to be given to human needs and for response to world disaster relief.

Total gifts for foreign missions in 1978 reached \$64,995,017, a 12.22% increase over 1977. 91.92% of the amount received came through the Cooperative Program and the Lottie Moon Christmas Offering.

Increases in missionary personnel, spiraling inflation, and the continuing decline in the value of the American dollar lays an increasingly heavy budget demand on the Foreign Mission Board.

Southern Baptists must continue to provide the support for this vast outreach. Much prayer, giving, and missionary education in the local churches must be emphasized for us to respond to Christ's calling.

Mrs. Donald Beaver

Home Missions

The events and program accomplishments of 1978 hinged on Home Missions Board's involvement in Bold Mission Thrust. Key cities relationships have been established with 21 major metropolitan areas in the United States. Consultants report success in helping Associational and state leaders develop plans to reach the cities' populations.

The year marked significant increases in operating funds, although the 1978 Annie Armstrong Easter Offering goal of \$13 million was not reached. Total gifts of \$25,279,805 were 17½ percent above the 1977 figure, with \$11,489,194 from the Cooperative Program and \$12,282,227 from Annie Armstrong Easter Offering.

In 1978 more than 21,600 volunteers participated in Home Missions work.

Almost 500 adults volunteered through the short-term Christian Service Corps, working in church extension, language missions and interfaith witness.

1,400 college students volunteered for 10 summer weeks.

Our missionary force numbered 2,830 with 159 persons appointed in 1978. About 145 mission pastors received financial assistance to provide for them until their churches can become self-supporting.

Committee on Ordination Advisory

The Committee on Ordination Advisory was called upon five times during the year to examine candidates for the gospel ministry.

Upon the request of the Memorial Baptist Church the council examined Clarence Edward Mullins as a candidate for the ministry upon his call to become chaplain of the Good Samaritan Colony, Pageland, South Carolina.

Upon request of the Oak Ridge Baptist Church the council examined Raymond Thomas Lambert for the ministry upon his call to the Mt. Carmel Baptist Church.

Upon the request of the Skyland Baptist Church the council examined Michael Dallas Hopkins who had been called by the Skyland Church to be their associate pastor.

Upon the request of the Central Baptist Church Marshall Brooks was examined by the council when he was extended a call to be pastor of the Midway Baptist Church.

At the request of the Calvary Baptist Church the council met with Robert Craven. Following his examination the council delayed a recommendation for ordination and advised the church simply to license Mr. Craven until such time when he is called to serve as pastor of a church.

All of the candidates were questioned concerning their Christian experience, call to the ministry, Baptist Doctrines, Christian ethics, and denominational cooperation. Each man answered well and the council considers it a privilege to serve the churches in this way.

Committee on Personnel

The Committee on Personnel has been on stand-by ready to hear and deal with any personnel problems that would arise. As of yet no problems have been brought to our attention.

This committee is also responsible for seeking out the Director of Christian Social Ministries. Due to the lack of a Director of Missions, the Committee on Personnel has been on hold in this matter until a Director of Missions could be secured.

Public Affairs

Daring and bold action faces us as Christian representatives of the Baptist faith in this important area of Public Affairs during the upcoming year of 1980.

We must prayerfully choose and elect political leaders that will stand firm and fight vigorously against the moral decay of our great nation irrespective of partisan politics.

The North Carolina Supreme Court has ruled the Anti-pornography Bill constitutional. We should be thankful for this action.

The North Carolina Court of Appeals will hand down a ruling soon on the challenge to the Liquor-By-The Drink legislation. Pray for this decision.

A vote by the members of our state senate killed a bill which could have relaxed the penalties for the possession of up to four ounces of marijuana. We rejoice in this decision.

The 90 day "Quick Trial" bill is permitting many of our criminals freedom to try again. This folly should be corrected.

If we follow the leadership of the Holy Spirit in Public Affairs, a grand glorious future can be ours.

Committee on Seminary Extension

It is the conviction of the Seminary Extension Department that every minister needs to engage in purposeful, planned learning as long as he is in active service. In a sense though, all Christians are "ministers" and so clergy and laymen alike need to continue learning that they may be properly equipped to serve God. The word "ministry" has its roots in a New Testament word which means "to serve." Ministry is stewardship. Education in ministry is really training in servanthship.

Effective continuing education helps persons learn how to learn and commit themselves to life long learning. To this end, Seminary Extension courses in the college-level curriculum series are being offered each fall and spring at the Associational Office Building, 169 Spring Street, N.W., Concord. Classes currently are meeting on Tuesday nights, 7-9:15 p.m.

Last spring the Rev. Jesse Yarbrough taught New Testament Theology and Dr. Gerald T. Smith, the book of Job. In this fall of 1979, Dr. Ken Altom is the teacher in a course of Public Worship and Dr. Gerald T. Smith, again, is leading the class on Ephesians and Philippians, a course especially designed to help, prepare others to teach "Ephesians," the January Bible Study for 1980, and "Philippians," the January Bible Study for 1981.

Your committee is planning to offer two outstanding courses in 1980, beginning the second Tuesday in January. The first is "Women in the Church," a course that should have wide appeal in light of some of today's controversies. The second is the Gospel of John, perhaps the most universally loved book in the Bible.

Churches are kindly requested to share this information with their people and to encourage them to attend.

Respectfully submitted,
Gerald T. Smith

State Missions

During the past two years, the State Mission offering goal was to retire the debts of building programs at several locations throughout the state, in addition to the ongoing mission projects in our state. This was the beginning of Bold Missions for the North Carolina Missions. In 1978, Cabarrus Baptists gave \$15,459 towards this effort.

This year, 1979, the challenge is before us. The State Mission offering becomes the North Carolina Missions Offering, combining six offerings previously scattered through the year, into one united offering. The *Biblical Recorder* has given wide coverage to the promotion of the offering. During the month of September, churches were urged to lay the groundwork for Ingathering Day, October 7. The offering goal of \$2,000,000 for North Carolina Baptists can and will be reached through the faithful support of the people.

Respectfully submitted,
Mike Steiner

Stewardship

When the Bible discusses stewardship, it is talking about management. In Biblical times the word steward referred to a person who was entrusted with the management of things owned by another. To the Christian this means being entrusted to manage material things belonging to God. A Christian steward will acknowledge and accept God's ownership of all things.

When a Christian recognizes that he is a manager of God's material world, he will see stewardship in a different light. Stewardship for him will include earning, spending, giving and the final distribution of his possessions.

Each church has a responsibility to teach Christian stewardship in its total expression. When a church does teach Biblical stewardship, individual church members will be strengthened and the church's opportunities to minister to people in its own community, and take the gospel to people around the world will be enlarged.

In April we had an Associational Stewardship Conference conducted by Mr. Talmage Williams, Director of Stewardship Development of the Baptist State Convention. The conference theme was teaching stewardship to church membership.

Can we really afford to do less?

Respectfully submitted,
Jim Gillespie

Committee on Youth

The Committee on Youth met once during the year and planned the Spring Associational Youth Rally.

The Youth Rally was held at the Calvary Baptist Church, Kannapolis, March 17. 160 youth attended. Several youth gave testimonies. Nancy Belk from the Blackwelder Park Baptist Church sang a solo entitled "Without Him, I Could Do Nothing." The main program was a musical drama by the Shadybrook Baptist Church led by Jim Yow, Associate Minister.

Plans for the coming year include quarterly rallies, a youth evangelism emphasis, and a summer Super Star program.

Each church is encouraged to select a youth representative to help with the planning of the Associational youth event. We are looking forward to a great year.

ARTICLE I — NAME

The name of this body is the Cabarrus Baptist Association.

ARTICLE II — PURPOSE

The object of this Association shall be to devise and recommend measures for increasing the intelligence and spiritual power of the churches, and for developing and directing their agencies, their resources and gifts in advancing the Redeemer's Kingdom throughout the whole world.

The means of accomplishing this shall be in strict conformity with the teaching of the New Testament.

ARTICLE III — MEMBERSHIP

Section 1. The Association shall be composed of the officers of the Association, and pastors and messengers from churches affiliated with it. Affiliated churches shall be those which continue in Baptist faith and practice, and that cooperate with the Association, and that support the Association and the agencies of the state and Southern Baptist Convention.

Section 2. The Association shall be sole judge of its membership and may receive churches into its fellowship, or reject churches, according to its Constitution and Bylaws. Affiliated churches may also withdraw as they desire. For a body to be considered for membership in the Association, it must:

- (1) Be a church applying from a sister Association, coming in good standing, or:
- (2) A mission established by a current member church, or:
- (3) A body guided from its beginning by a cooperating relationship with the Missions Committee of the Association, or:
- (4) An established church desiring affiliation, giving satisfactory evidence of their belief in Southern Baptist faith and practice.

Section 3. Churches desiring to affiliate with this body shall apply and shall submit a written request to the Committee on Mutual Care at least 60 days before the Annual Meeting of the Association. If recommended unanimously by this committee and accepted by a majority vote of the Association, the church shall agree to come under the watchcare of the Association for a sufficient time to satisfy the Association of its intent to continue, through practice and attitude, a cooperating Baptist church. Upon the recommendation of the Committee on Mutual Care acceptance with the fellowship of the Association shall be confirmed by vote of the Association. During this period, members of such churches shall be entitled to all rights and privileges of the Association, except holding office and voting.

Section 4. The Association shall not maintain fellowship with any church that departs from Southern Baptist faith and practice and fails to maintain a spirit of cooperation with the Association. Any church failing to report the annual letter to the Association, or failing to be represented at the Annual Meeting, or failing to support, worthy, Associational and denominational missions, for two consecutive years, shall

be notified by a special committee of the Executive Board that if their failure is not remedied by the next Annual Meeting, recommendation shall be made to remove said church from membership in the Association by two-thirds majority vote of messengers present and voting.

REPORTS — Section One

(Those presented at Annual Meeting)

Sunday School

The Cabarrus Baptist Associational Sunday School has had a fruitful year.

The Sunday school is for Bible study. Each church was encouraged to participate in the January Bible study. In March the very able Vacation Bible School staff attended the clinic at the First Baptist Church, Lincolnton. On March 24 Harry McCall lead the association in the Sunday school leadership conference. He introduced the fundamentals of Bible Venture.

April 1 the associational V.B.S. Clinic was held at the McGill Avenue Baptist Church. This was one of our best planned and conducted V.B.S. Clinics. August 18 the ministers, staff, and Sunday school director's workshop was lead by Bill Byrd from the state Baptist convention. Bill presented the ASSIST program that will aid every church in the association. September 20-24 six churches in our association participated in the Bible Venture Campaign.

The success of the Sunday school this year is credited to the staff, Dr. Duard Murphy, Jim Gillispie, Terry Childers, Bobby Seagroves, Judy Hall, Jeanette Seagroves, Ann Norris, and Kay Beamon.

Thanks to the staff and for the cooperation of each church during the year.

Respectfully submitted,
Bud Parrish, Director

Church Training

Recent reports indicate that church training continues to increase in enrollment in our association. More and more of the churches in our association are beginning to see that a strong Church Training Program will lead to new growth in the other organizations.

The Church Training Program in the local church serves in equipping God's people for bold growing. The emphases in Church Training Program keeps the full demands of Christian discipleship before the people of God.

In November of 1979 we had over 100 people to hear Mrs. Ara Baker, of Hickory, North Carolina, in the annual "M" Night service in the Centerview Baptist Church. In March of 1980 we had nearly 200 young people to hear Mr. Kelvin Moseley, a student in Gardner-Webb College, bring a challenging message in the Wil-Mar Park Baptist Church. In May of this year we had several boys and girls in the Children's Bible Drills and the Youth Bible Drills in the Kerr Street Baptist Church. We continue to encourage our churches to become active and participate in the associational Children's Bible Drill, the Youth Bible Drill, and the Youth Speakers' Tournament.

This coming year should be helpful and challenging in church training in the Cabarrus Baptist Association. Discipleship training is essential in order to have a growing, going, church.

Respectfully submitted,
Bobby Seagroves, Director

Brotherhood

The associational brotherhood had a slow beginning this year, but due to the excellent leadership of our director of missions, the foundation for great things in the future has been established in a set of written bylaws. The bylaws provide for an executive council which will give a structure for getting things done. The objective of your Brotherhood Council should be to establish, conduct, enlarge, and improve Christian missions through the men's organizations of the Cabarrus Brotherhood in the Cabarrus Brotherhood in the churches and missions of the Cabarrus Baptist Association.

The Royal Ambassadors of the association have become increasingly active; the R.A. Committee has met monthly. Frank Hopkins, with his unique abilities as chairman of the R.A. Committee, and the R.A. leadership on the associational and church levels had an excellent program as follows: there were 30 boys and their dads from 10 churches who participated in the Pine Derby Race held at Lane Street Baptist Church in Kannapolis. Chad Blackwelder from West Point Baptist Church was first place state winner in the graded 1-2 division.

Larry Belk, Gary Troutman, and Chuck Phelps were primarily responsible for the basketball league. Nine churches participated in three leagues which were played at the Cabarrus Boys Club. A banquet was held at Pitts Baptist Church where trophies were given out. The younger and older Pioneers advanced to the state playoff.

A Pioneer Fall Festival was held at First Baptist, Mt. Pleasant, where Chuck Phelps was elected Pioneer president. Gary Troutman was chairman for the track meet in which 13 churches and 150 boys participated. The Lane Street team went on to the state and Tri-Carolina meets to bring home the medals.

Eddie Robinette and Lary Belk were responsible for an excellent day camp at First Church, Mt. Pleasant. Forty-six boys had an exciting experience in mission education on Vietnam. Phan, a member of the Hoang Family, was present to share his experiences and that of his people.

Mrs. Raiford Troutman was chairman of the state missions bike-a-thon held at the Charlotte Motor Speedway. Eighty-five R.A.s and 44 adults from 13 churches spent the morning riding their bikes around the speedway to collect \$4,128.66 for state missions.

To climax the year 110 men met at First Baptist Church, Kannapolis for the brotherhood workshop. Mrs. Raiford Troutman was responsible for getting excellent leadership for our R.A. counselors, and Ed Bullock from the convention office was present to direct the workshop. This workshop was a good beginning for great things to happen in the coming year.

Woman's Missionary Union

The Woman's Missionary Union of Cabarrus Baptist Association held a quarterly council meeting with the director of missions. A quarterly W.M.U. newsletter, "The Party Line" was sent to all W.M.U. leadership and pastors.

Baptist Women's Day of Prayer was observed in November. Eight hundred pairs of socks and bags of candy were sent to the North Carolina Correctional Center for Women. Two hundred pairs of socks and bags of candy were given as Christmas gifts to the boys and girls of Stonewall Jackson School.

A Christmas party was given by the associational W.M.U. Council for our two

Vietnamese refugee families. Acteens decorated a "Mission Tree" for the associational office building during the month of December.

In response to a request from Missionary Regional Hill, through the Foreign Mission Board, associational W.M.U. Director Mrs. Archie Ritchie, Jr. was a member of the mission volunteer team to Bermuda, January 5-14, 1980. Mrs. Ritchie led W.M.U. Leadership Conferences and assisted with the organization of age level groups. Several churches in our association donated W.M.U. magazine subscriptions for the two Baptist churches in Bermuda.

Eight women from Cabarrus Association attended the annual state W.M.U. meeting in Winston-Salem in March.

W.M.U. Focus Week was observed in February. A G.A. talent show was held in March. Mrs. Eva Eddleman, W.M.U. mission action director, assisted 20 churches during the year in planning Mission Action projects.

Associational W.M.U. Leadership assisted 10 churches with organization or reorganization during the year. Associational W.M.U. director spoke and presented special programs in seven churches during the year. The 45th annual associational W.M.U. meeting was held at West Concord Baptist Church in April. An afternoon and evening session with a dinner in between was held, with 120 in attendance. A set of bylaws was adopted for Cabarrus Association W.M.U. during the annual meeting.

W.M.U. Council members participated in the Cabarrus Baptist Camp dedication in July. World Hunger Day was observed in August. Nine associational W.M.U. Council members attended the state leadership training at Ridgecrest in September. One hundred sixty-three W.M.U. leadership attended the associational leadership conference held at Kerr Street Baptist Church in September.

In Memoriam

**Whereas, death has removed from us our beloved brethren in Christ,
Therefore be it resolved:**

We recognize that we cannot understand the mysteries of life and death, nor can we comprehend the greatnesses of Heaven, but we accept that the Lord has gone before us to prepare a place for his faithful followers.

We believe death is a temporary separation of the faithful, because Christ has said, "Because I live, ye shall live also." Therefore, we cannot weep, but shout "Hallelujah!" for the greatest feat is accomplished: their triumphal entry into a better land.

We are promised that all will be rewarded according to their faith and works. Therefore, we honor our deceased who have passed to their reward. On earth we were aware of their great qualities of love, concern, friendship, faith, hope, action and trust in God. We are comforted by the inner knowledge that God will reward justly. Furthermore we can be comforted by the many happy memories we have to hold and to cherish. And lastly, we can be comforted by the inner peace that all of the faithful will be reunited together and with Christ in His Glory.

The faithful who go before us act as our inspiration and challenge. Even though we are saddened and distressed by our losses here on earth, we are gladdened by the knowledge that "To live in hearts we leave behind is not to die."

**Respectfully submitted,
A.M. Moon, Rep.**

Baptist Children's Homes

The Baptist Children's Homes of North Carolina, is an institution of the Baptist State Convention and provides a Christian ministry of child care and family services.

During the past three years, members of the administrative staff of the homes completed and indepth evaluation of the institution's total program of services. We share statements from that report.

"The advancement of this mission and ministry requires (1) wise and resourceful leadership, (2) a well trained and highly skilled staff who really care for children, (3) a carefully planned program of child care and family services, (4) appropriate physical facilities, (5) adequate funds and sound fiscal policy, and (6) the confidence and support of an informed and devoted constituency."

The lives of more than 4500 people were affected in a significant way by the services of the children's homes during the past year. Fifteen hundred of these were children for whom you helped to provide care and related services. While serving children and young people, work was being done with important adults in their lives.

Members of our board of trustees and members of our staff, with your assistance, are dedicated to a continuing Christian ministry to children and their families.

**Respectfully submitted,
Calvin Faggart, Rep.**

Baptist Homes for Aging

North Carolina Baptists are nearly 30 years into the ministry to older persons. With these many years of loving in Jesus' name, the Baptist homes are the youngest of the institutions and agencies in North Carolina Baptist life. Being the youngest has its good points as well as drawbacks.

The physical growth of the homes has been steady since the opening of Resthaven in 1951. It must be said that the Cooperative Program and the North Carolina Missions Offering percentage of the operating budget is decreasing in the face of the ever-increasing budget. Love gifts through the Cooperative Program and North Carolina Missions Offering are projected to be 18 percent of the 1980 fiscal year budget. In 1974, 24 percent of the operating budget came through the Special Day Offering and Cooperative Program.

I have entered into these financial matters to say that times and things are changing. The operating budget of the North Carolina Baptist Homes is rising. The need to care for more individuals is increasing.

North Carolina Baptist are in a unique situation. North Carolina is one of the few state conventions with a state-wide ministry to older persons. We can certainly take pride in our accomplishments as North Carolina Baptists. To be realistic as associational leaders we must realize the ever-present needs in our ministry to older persons. The ever-growing waiting list, a nursing care unit without space for a physical therapy room, and resident rooms lacking private baths, alert us to some of the needs.

As leaders in your association, you can be a vital link in sharing the ministry and needs of the Baptist homes with individuals and church families in your association.

As you and I share the ministry, I know more North Carolina Baptists will want to be involved in supporting the Baptist homes through the North Carolina Missions Offering and their personal gifts to the homes.

Respectfully submitted,
Phil Hudson, Rep.

North Carolina Baptist Hospital

During the past year, our hospital has again received accreditation for the maximum period, two years, by the Joint Commission on Accreditation of Hospitals. Only about one-third of the hospitals in the nation receive the full two-year accreditation.

Our hospital is constantly upgrading its staff, facilities and equipment. In recent months, a carbon dioxide surgical laser has been added. The laser emits an invisible beam of light which vaporizes tissue, cutting and coagulating at the same time. It is used now for delicate surgery of the larynx, upper respiratory tract, and lung. It has potential, also, for surgery of other internal organs.

New ultrasound equipment provides improved accuracy in determining location and degree of blocked arteries. The department of dentistry is being expanded to meet an increasing need for specialty dental services. An occupational therapist has been added to the staff to help patients recover functional skills lost through accident or disease. A new instrument has been acquired for testing infants with suspected hearing loss.

The financial counseling section is now better prepared to assist those who need its services. Through a special arrangement with the Forsyth County Social Services Department, social workers and a counselor for the state's Crippled Children's Program are now stationed in the hospital and are immediately available to patients.

The staff and trustees continue to make effort to keep operating costs as low as possible. In this connection, our hospital recently became a charter member of the

Sun Alliance, an organization of 22 large hospitals in nine southeastern states. A primary purpose of the alliance is to keep operating costs (and consequently, patient charges) as low as possible through group purchasing of capital equipment, the development and sharing of comparative data and management information, and possible group arrangements with specialized consultants.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education at several levels, and numerous events in human enrichment and development. During the past year, the department has begun a Minister's Care Plan, in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers. Also, the position of Chaplain to Medical Students has been elevated to a staff/faculty position.

Construction on the Focus Building, on the site of the Old Main building which was torn down two years ago, is almost complete. Several departments of the Medical Center will be occupying this building in the near future.

The hospital staff is grateful to the Baptist of North Carolina for continuing financial support. During 1979, the hospital received \$400,500.00 through the Cooperative Program, and \$357,517.00 through the North Carolina Missions Offering and designated gifts.

Respectfully submitted,
David Edwards, Rep.

North Carolina Missions

The concept of Bold Missions in North Carolina is best seen in the North Carolina Missions Offering. The goal for 1980 is \$2,500,000.00. This is an increase of 20 percent over 1979.

The North Carolina Missions Offering is a far-reaching offering. It helps to provide the funds for six major mission programs sponsored by North Carolina Baptists. These areas are: \$750,000.00 - Baptist Children's Homes; \$375,000.00 - Baptist Hospital; \$375,000.00 - Baptist Homes for the Aging; \$125,000.00 - N.C. Baptist colleges; \$75,000.00 - Baptist Men's Mission projects; \$125,000.00 - Woman's Missionary Union Mission projects.

It is all North Carolina Missions. One million one hundred thousand North Carolina Southern Baptists finding hundreds of mission opportunities where they live . . . proclaiming the gospel here at home . . . with the clear message of the love of Jesus Christ.

Respectfully submitted,
Mike Steiner, Rep.

Christian Higher Education

There are seven North Carolina Baptist colleges and universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate. Baptist in their roots and their affections, these schools are Baptists' educational mission in our state. There are 53 such colleges, including these seven, related to state conventions within the Southern Baptist Convention.

The highest priority of your Baptist colleges is to serve God and man through Christian higher education. Ours is a secular world which views life and history, and even man himself, as having no overarching purpose.

To this hopeless view of the world, the Christian church through its colleges and universities has an essential message. The message is that creation has purpose, life

has meaning and direction and persons created in the image of God have eternal significance.

The task of the Christian college is large and complex: searching for answers to perplexing problems; guiding the lives of youth who have been greatly influenced by the values of a secular society; and interpreting this task in love and with reason to those we do not always understand the difficulty of the college task.

Your North Carolina Baptist colleges see themselves as you see them, as a valuable part of Christian missions. They operate out of the conviction that God's Holy Spirit leads persons in the discovery of truth, that through the Bible God has given us a sufficient guide for faith and practice, and that man is a sinner by nature who cannot save himself or redeem the world in which he lives.

Baptist young people are sought and welcomed by Baptist colleges. We call upon the churches, through pastors and other leaders, to encourage Baptist youth to apply for admission to Baptist colleges. When they do, a creative blending of Christian education, financial assistance and spiritual guidance will help to shape them as tomorrow's leaders in the church, community, state and nation.

We thank you for your support of the colleges. We request your earnest prayers for each of them.

Respectfully submitted,
Claude Connell, Rep.

Home Missions

Home Missions continues to be a major concern of Southern Baptists. As we enter the 1980's we must maintain a sense of urgency about our mission to America and to the world.

Major emphasis in planning, by the Home Mission Board, has been to develop a plan for 1979-82 to bridge the long range plan with the target date of A.D. 2,000.

The year was marked by outstanding financial support. The largest offering for home missions in the world was received. The Annie Armstrong Easter Offering totaled \$14,171,637.00, which was an increase over the previous year of 15.38 percent. The Home Mission Board received \$12,5000,000.00 in the Cooperative Program operating budget.

At the end of 1979, the Home Mission Board has 2,922 persons on the home mission force, and 103 persons were serving on the elected staff.

The decade of the 1980's is the time for Southern Baptists to exhibit, by our daily lives, that Jesus Christ lives.

Respectfully submitted,
Mrs. Vera Carpenter, Rep.

Foreign Missions

The primary function of the Foreign Mission Board is sending out and maintaining overseas missionaries. By the end of 1979, 3,008 missionaries were serving in 95 countries and territories. The Bold Mission Thrust objective to increase the missionary staff to more than 5,000 by A.D. 2,000 remains a challenge.

Central to the objectives of missions are evangelism and church development. In 1979 the number of churches grew to 11,083 and the number of baptisms totaled 96,376. The Bold Mission Thrust objective of a tenfold increase in churches calls for still larger efforts.

The 569 educational institutions serving some 114,590 students in various lands in-

clude all levels of training from kindergarten through university and theological schools as well as Bible institutes.

The 21 publishing centers and the bookstores or distribution centers are committed to providing adequate supplies of all kinds of Christian literature needed for the developing of vigorous churches.

Baptist medical work serves the physical needs of thousands of people and often opens strategic doors for evangelism. The almost 200 medical missionaries are serving in 20 hospitals and 120 clinics and dispensaries.

Social service ministries, including agricultural programs, good will and community centers, orphan homes, and direct relief, are closely related in motivation and results to medical work. \$3,080,523.00 was given for World Hunger and disaster in 40 countries for a wide variety of needs.

In 1979, foreign missions contributions totaled \$74,976,749.00 with \$36,217,473.00 coming from the Lottie Moon Christmas Offering.

Still urgently needed are land, buildings, and equipment. As the overall missionary personnel picture begins to express new boldness, the financing for world missions must also show a bold new thrust.

Respectfully submitted,
Mrs. Donald Beaver, Rep.

Annuity Board

While serving Southern Baptist churches and agencies in 1979, the Annuity Board marked a period of "achievement, ministry and growth in practically every phase of its work," according to Dr. Darold H. Morgan, president.

Key statistical highlights in 1979 included:

1. A 13th check amounting to 10 percent of a year's benefit was mailed to most annuitants in December 1979.
2. A total of \$19,131,539.00 in retirement benefits was paid.
3. Insurance benefits through the board's church, agency and seminary programs amounted to \$13,067,338.00.
4. Total assets held in trust at the close of the year equalled \$667,521,987.00. This figure represented a growth of \$97,787,516.00 over 1978's total.
5. Premium income totaled \$69,548,849.00 including contributions and relief receipts. A total of \$35,348,300.00 was designated for the Fixed Fund investment plan, \$2,332,869.00 was earmarked for the Balanced Fund and \$12,121,729.00 went into Plan A. Insurance premiums totaled \$14,291,178.00.
6. At the close of 1979, the board counted 22,879 church and agency member accounts in Plan A, 43,927 in the Fixed Fund investment plan, 4,934 in the Balanced Fund and 3,941 in the Variable Fund.

In North Carolina as of March 31, 1980, 3,046 staff members of 2,316 churches and associations are participating in the Southern Baptist Retirement Program. In Cabarrus Baptist Association 44 churches and 63 staff members are participating in the retirement program. Of this number 13 are still participating on the minimum of \$33.34 per month. There is a great need to upgrade this to 10 percent of total salary for staff members.

Respectfully submitted,
Gerald T. Smith, Rep.

Executive Board

The regular quarterly meetings of the Executive Board of the Cabarrus Baptist Association were held as follows:

November 26, 1979 - with Poplar Grove Baptist Church

December 17, 1979 - a called meeting with Brookdale Baptist Church

February 25, 1980 - with Southside Baptist Church

May 26, 1980 - with Memorial Baptist Church

August 25, 1980 - with Young Baptist Church

At these meetings the reports of the various committees and organizations were presented. A summary of the action taken by the Executive Board is as follows:

1. Dr. Russell Willis, director of missions, reported the following:

(a) We had two teams from our association who worked in cooperation with the Home Mission Board and the Foreign Mission Board. One team of carpenters left for Guatemala where they assisted in building a new addition to our missionary school in Quetzatenango. The other team of brotherhood and W.M.U. workers went to Bermuda to assist in brotherhood and W.M.U. Clinics in January.

2. The W.M.U. Leadership Conference in September, at First, Kannapolis, was attended by 157 people.

3. A move was made that the association purchase a Scriptomatic automatic addressing system at the bid price of \$3,496.85. The funds were taken from money currently on deposit. This motion came on the unanimous recommendation of the Missions Committee and the Finance Committee of the association. The motion was discussed and carried.

4. The Personnel Committee worked on securing a director of Christian Social Ministries.

5. Dr. Bailey stated that he thought that there were too many problems with this type of ministry in the associations where they have the social ministry or other type of ministry in addition to directors of missions. So he made a motion that we rescind the action the association took on employing a director of Christian Social Ministries. The motion was discussed and failed to carry.

6. The moderator announced that he had called the meeting to discuss the Christian Social Ministry program since there had been some questions raised about the necessity for such a program in our association at this time. A vote was taken by secret ballot and the result was 29 for the motion and 26 against.

7. Dr. Willis stated that it had been stated in the letter announcing this meeting that "there was a strong feeling that unless a broad base of support for Christian Social Ministries is indicated at the called meeting, the program would not be initiated at this time."

8. Mr. Connell, on behalf of the Finance Committee, made a move that for making purchases related to associational programs be made on a requisition.

9. Response from W.M.U. organizations in our association for Christmas gifts, to be sent to North Carolina Correctional Center for Women were tremendous.

10. The W.M.U. Council entertained a Christmas party for refugee families in December.

11. Rev. Jenkins, chairman of the Nominating Committee, nominated Rev. James Camp for director of the brotherhood.

12. Rev. Floyd R. Willis, pastor of Young Street in our association passed away. The association was asked to stand in memory of him and a prayer was offered to his family.

13. A Floyd Willis Fund was set aside with the churches contributing.

14. Dr. Willis announced the coming 150th anniversary of the North Carolina

Baptist State Convention Rally.

15. The 45th Annual Session of Woman's Missionary Union, was held on April 15th at West Concord.
16. Sunday School Director Rev. Parrish, stated that the ministers, staff and Sunday school directors workshop was well attended with 57 present.
17. Brotherhood Director James Camp stated that the day camp was fantastic. There were a total of 48 boys and leaders present.
18. Youth Director Duard Murphy reported that about 75 were in attendance at the associational Youth Rally at Pitts Church.
19. Seminary Extension Chairman Gerald Smith reported this fall the book on Revelation be studied.
20. Director of Missions Dr. Willis reported that there will be six clinics and workshops and that we have a new office secretary in the missions office. All book-keeping records are now in the office. The treasurer will come by the office at least once a week and sign the checks.
21. Dr. Willis urged attendance at the day long evangelistic clinic in September. This was held at Shadybrook Church.
22. Dr. Altom brought the following matter to our attention. This was the chaplaincy program for the Cabarrus Memorial Hospital. This was discussed. It began as an interdenominational agency. About 60 applications were received for this position. Eighty percent were Southern Baptist men. The one that was called for the position was a Southern Baptist.

REPORTS — Section Two

(Those not presented at Annual Meeting)

American Bible Society

Since its founding 164 years ago, the American Bible Society has offered the peoples of the world more than three billion opportunities to read at least some portion of God's word. Starting out with a distribution of 6,410 Bibles in 1816, the A.B.S. has through the years steadily increased its ministry of sharing the scriptures to reach its current annual distribution rate of more than 250 million Bibles, New Testaments, portions and selections.

In many overseas areas there were extremely encouraging increases in the number of people reached with God's word.

AFRICA: It is a joy to report that more than one million scriptures reached the people of Uganda during the year (an increase of 90 percent). A 490 percent increase in distribution was experienced throughout Angola due in large measure to the introduction of New Reader Scriptures.

ASIA: Four areas of Asia more than doubled their distribution of scriptures in 1979 over 1978: Burma, Nepal, Papua New Guinea and Syria. Syria's distribution was up 115 percent and in Pakistan 99.7 percent.

LATIN AMERICA: The newly published complete Bible in the Spanish "Version Popular" ("Dios Habla Hoy") helped to achieve a 10 percent increase in Bible distribution in Latin America. In many countries these scriptures are being used in the public schools.

EUROPE: The most significant developments in Bible work during 1979 occurred in Eastern Europe. 362,050 scriptures were circulated in 1979 by the Bible Societies, a 59 percent increase over the distribution in 1978.

THE UNITED STATES: The American Bible Society distributed 108,882,672 scriptures in the United States alone during 1979. Among the larger provisions of scriptures throughout the year were 260,000 scripture portions distributed by the Alabama Baptist Convention in a campaign to reach every home in the state with some part of God's word. Another 120,000 special imprinted portions in English, Spanish and Navajo were distributed by the New Mexico Baptist Convention.

TRANSLATIONS: Twenty-seven languages were added in 1979 to the list of languages and dialects in which at least one book of the Bible has been published. The number of languages in which at least one book of the Bible has been published as of December 1979 was 1,685.

VOLUNTEERS: The number of dedicated Christians who are devoting both time and effort to the Bible cause rose to over 35,000 volunteers in 1979. More than 13,000 of these volunteers are church representatives.

We convey the heartfelt thanks of millions of people around the world who, because of you, are discovering for the first time the saving knowledge of Jesus Christ as revealed in the scriptures.

Mrs. Claude Connell, Rep.

Associational Office Building

During the year 1979-80, repairs to the associational building have been of minimum expense. Repainting of the exterior, which was recommended in October,

1979, has been delayed pending action of another committee.

A new sign was purchased to replace an older sign located at the front of the office.

Respectfully submitted,
W.M. Hinson, Chairman

Christian Life

As we begin the decade of the eighties, the Council on Christian Life continues to exercise its charge from the Baptist State Convention to remind North Carolina Baptist that we are to be as salt, leaven, and light in the way we interact with the world around us: by preserving and applying the tang of biblical truth and values to a world grown stale with self-indulgence; by encouraging believers to interact with their communities by responding to those who are hurting and prodding those who are either blind or insensitive to social ills; and by choosing lifestyles that reflect the bright hope and power of the Redeemer.

Responding to this challenge, the council has focused its energies upon two primary areas of involvement: expansion of the various service ministries offered through its departments of Christian Family Life, Christian Citizenship Education, and Aging; and summoning North Carolina Baptists to deal responsibly with difficult social and ethical issues, such as energy use, world hunger, and the plight of migrant farm workers.

Among those ministries which have grown in demand are marriage enrichment retreats, family life conference, single adult events and among the new projects, marriage enrichment opportunities for clergy couples.

Citizenship has been much in the forefront of the news and the council has encouraged Baptists to be responsible stewards of our right to vote during this election year.

Keeping up with the growing needs and interests of older persons has led the council to double the number of events it offered for senior adults last year.

Special concerns seminars and other new projects are reflections of the council's commitment to develop effective programs.

Christians with God's command to love one another must make the decision to help each other. This can be done through programs of world hunger, migrant farm workers, etc.

Farrell Shimpock, Rep.

Evangelism

It hardly seems that a year could have come and gone since we had an opportunity to share with you about the efforts in our association through evangelism.

Associational evangelism is an effort that involves the churches of an entire association. This year has been a year that few churches in Cabarrus Baptist Association has taken part in the association-wide effort in evangelism. We have had more single church revivals and fewer associational efforts in evangelism.

There has been several people and churches that have been revived. The spring has been filled with revivals. The fall is bursting through with a festival of revival services. Vacation Bible Schools have been tremendous, but for associational-wide evangelism efforts, we have had only one day.

September 11, we met with Shadybrook Baptist Church for a morning session in "How to Build an Evangelistic Church," directed by Dr. Mark Corts, pastor of

Calvary Baptist Church, Winston-Salem, North Carolina. This was such a totally different seminar that every pastor, church, and community should have been involved. This was great!

Then came mealtime for us and Shadybrook Baptist ladies and the church family just wrapped that morning session up with food fit for a king! Thanks to each person who made this possible. It was fantastic!

The evening session was precious. Rev. Alex Booth of Fruitland Baptist Bible Institute came to our rescue with another challenging message to the churches. This was housed by Wil-Mar Park Baptist Church. We were blessed by his way of thrilling our hearts with God's message. Evangelism is going to make the difference in Cabarrus Baptist Association if we **EVANGELIZE TOGETHER**.

"IF MY PEOPLE WHICH ARE CALLED BY MY NAME WILL HUMBLE THEMSELVES, AND PRAY, AND SEEK MY FACE." Evangelism will make the difference.

Prayerfully submitted,
Lindy W. Long, Chairman

Committee on Missions

The Committee on Missions has met the first Thursday of each month during the year of 1980 to promote the mission opportunities of the Cabarrus Baptist Association.

During the year, a slide projector, a dictating machine, a check writer, and a used paper cutter were added to the equipment in the associational office. This can add to the efficiency of the work in the office.

Three churches were recommended to the North Carolina Baptist State Convention to receive pastoral aid.

The committee led in a love offering for the family of Rev. Floyd Willis, to help meet the needs after his passing.

Miss Pam Pittman came to the Cabarrus Association to help the churches for 10 weeks this summer.

The committee helped in a celebration program of the 150th anniversary of the state Baptist convention.

Our Director of Missions Dr. Russell Willis, accompanied by Mr. and Mrs. Archie Ritchie, Jr., Concord; Mrs. W.E. Brackett, Clover, South Carolina; and Rev. Ed Hall, Harrisburg led in a W.M.U./Brotherhood and R.A. Leadership Conference in Bermuda during January 5-14, 1980. Returning to Bermuda from September 29-October 11, our director of missions teamed with Mr. James Cook, Concord and Rev. A.A. Bailey, Bessemer City on a construction project.

Plans have been made toward a World Mission Conference, April 26-May 3, 1981. This conference will be under the leadership of Mrs. Wanda Ritchie and Dr. Ken Altom.

Respectfully submitted,
Raiford Troutman, Chairman, Mrs. James Allen,
Rev. Bill Byrd, Mr. John Garver,
Mr. Ralph Hartsell, Rev. Frank Hopkins,
Mr. Robert Linker, Rev. Ray Pennell,
Mrs. Mack Terrell

Mutual Care

The Committee on Mutual Care, composed of six members, shall review applications for membership in the association and shall make recommendations to the Association. This committee shall foster fellowship, communications, and cooperations among the churches and shall be available to member churches for counsel in times of fellowship problems.

Respectfully submitted,
Ken Altom, Chairman

Public Affairs

To borrow a refrain from an old spiritual song "In Times Like These, We Need A ———," it is necessary to take inventory on what we truly and actually need in the important area of "public affairs."

Election Year is Here!

- A. Prayerfully vote our convictions.
- B. Select candidates with Christian Integrity.
- C. Avoid Partisan Politics.

Much ado has been made concerning our stand on church-state relationships. As a body we believe in complete separation of these two organizations on political grounds, but as individuals we must believe and stand firm in our belief that God must remain supreme in every facet of our daily living.

In the future let us endeavor to keep God in control of "public affairs," keep the church (as an institution) out of "political affairs" and insert and exert ourselves as "professing Christians" more fully into all "spiritual affairs."

Respectfully submitted,
T. Brice Beam, Rep.

Committee on Seminary Extension

People who work with seminary extension believe that learning is something which should take place throughout life. Learning is also something which should prepare individuals for life's significant tasks.

Seminary extension is a movement born out of an expressed need within Southern Baptist life for ministry training opportunities beyond the college and seminary campus. Its goal is to bring continuing theological education within reach of ministers and lay church leaders, regardless of age, geographical location, or level of formal educational background.

More than 10,000 persons currently are enrolled in one or more courses. Seminary extension students are in all 50 states and a number of foreign countries. Eighty percent of these attend classes in one of the approximately 400 seminary extension centers.

North Carolina Baptist help underwrite the cost of study with seminary extension through the Cooperative Program budget. This subsidy helps keep the cost per course within a range every student can afford. This is a major reason why our state has had the largest statewide seminary extension program in the United States for the sixth consecutive year.

During the past year 78 seminary extension centers have been active throughout North Carolina. This is the first year the department has offered courses for prison inmates.

In Cabarrus Baptist Association, seminary extension courses in the college level curriculum series are being offered each fall and spring at the associational office building, 169 Spring St., N.W., Concord. In early 1980, Mrs. Robert Bailey taught "Women in the Church," while Dr. Gerald T. Smith led the study in the gospel of John. The response was so gratifying to the examination of John's gospel that further exploration of the Johannine literature was encouraged. So, in the fall, the book of Revelation was offered with Dr. Smith, again, teaching. It was necessary to divide the 55 enrolled into two sections, meeting for two and a half hours each on Monday and Tuesday nights, 7:00-9:30 p.m.

The courses to be offered, beginning Tuesday, January 6, 1981, are "Biblical Backgrounds," a systematic study of the historical geography and archaeology of the Bible lands and people, and "Contemporary World Missions," a survey of contemporary Southern Baptist foreign missions. Dr. Smith will lead the former, with the help of color slides taken on an extensive trip of the Holy Land in 1980, while Dr. Russell Willis will teach the latter, an area in which he has had significant personal experience.

Respectfully submitted,
Gerald T. Smith, Chairman

Stewardship

A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream for Southern Baptists in 1967-77 -- a bold dream of greater mission support and church growth. Many people are committed to making this dream a reality. In order for Bold Mission Thrust to succeed, many more people must adopt this commitment.

Two important questions must be asked and answered:

1. Do we have the will and commitment to persist in achieving what we have voted as Bold Mission Thrust goals?
2. Can we learn to live with out commitments?

Developing Christian stewards is imperative in light of biblical teachings and the Bold Mission Thrust objective to give every person in the world an opportunity to hear and respond to the gospel of Jesus Christ by the year 2,000. This calls for faithful stewardship and growth in Christian giving.

Our pastors are trying to lead our people to see the need of giving so our goals may be accomplished, but I pray to our Heavenly Father that our people may not only be "hearers of the word, but doers!"

Respectfully submitted,
James S. Smith, Rep.

Committee on Youth

Youth Superbration was the main event for the associational youth program. This was held at Pitts Baptist Church on August 16th. The Youth Committee worked closely with Pam Pittman, associational summer missionary and the summer youth workers from various churches. About 100 youth attended, including a musical group from Fountain Inn, South Carolina.

A similar rally is planned for August 15, 1981 at the associational camp.
